2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Founded in 1954, Lincoln High School (LHS) is the sole comprehensive high school in Lincoln Unified School District. Located in northwest Stockton, the school serves an ethnically and socio-economically diverse population of 2,900 students. LHS is accredited by the Western Association of Schools and Colleges (WASC) and has long maintained a strong reputation in the area for excellence in its various curricular and extra-curricular programs. LHS was granted a six-year accreditation through June 30, 2021 and then a 1-year extension to June, 2022 due to school closures.

For the student interested in pursuing college after graduation, a traditional college preparation program is offered through a variety of options. This broad and varied curriculum is strengthened further through an extensive visual and performing arts program. Students interested in technical preparation have a wide variety of CTE courses to choose from. LHS offers a comprehensive counseling program with nine counselors which includes a College and Career counselor. The needs of our special education students are met through the Resource Specialist Program (RSP), Special Day Classes (SDC), school psychologists, and a Language, Speech and Hearing program. English Language Development (ELD) programs are provided to Limited English Proficient students to ensure their equal access to the core curriculum. A fully staffed Multilingual Center provides support services to teachers, students and their families. A full array of extra-curricular programs including student leadership, peer counseling, ethnic and social clubs, service clubs, academic-related clubs, student organizations, and a full interscholastic sports program is available to all students.

Lincoln High School Mission:

Lincoln High School strives to educate all students to their maximum potential, to prepare them to be responsible citizens, and to equip them with the tools to live a fulfilling life.

Lincoln High School Vision:

Lincoln High School aims to be a leader in secondary education by inspiring and empowering all learners to be self-reliant and college and career ready.

Lincoln High School Social Vision:

Lincoln High School promotes equity, individuality, human kindness, respect, and acceptance of all.

2023-24 School Description and Mission Statement

Lincoln High School has four main goals and supporting actions that mirror the Lincoln High WASC School Action Plan. All goals and actions support needs identified by stakeholders through the WASC process.

1. Lincoln High School will provide professional development opportunities with a focus on improving student.
2. Lincoln High School will improve academic and social-emotional advisement opportunities for students.
3. Lincoln High School will increase student achievement in all areas reflected on the California School Dashboard.
4. All Lincoln High School policies, practices, systems, and social opportunities will be reviewed and refined to reflect and best address our diverse student population.

Progress is monitored through annual data analysis by each stakeholder group including staff, students and parents. Stakeholders analyze professional development calendars, all California Dashboard data, attendance, grades and discipline data.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Permits and Waivers	2.10	0.00
Misassignments	2.10	1.80
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	4.30	1.80

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	2.20	2.30
Local Assignment Options	9.10	9.00
Total Out-of-Field Teachers	11.30	11.40

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	3.5	2.6
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	6.8	3.6

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Following a public hearing the LUSD Board of Education has found that sufficient textbooks and instructional materials are available to each student in Reading/Language Arts, Mathematics, Science History/Social Science and Health. All students, including English Learners have textbooks or instructional materials, or both, to use in class or to take home.

School Facility Conditions and Planned Improvements

Lincoln High School school was built in 1953. The LHS campus encompasses approximately 60 acres. Lincoln High's athletic facilities are the best in the county. Lincoln's 335 seat Lincoln Theater, with an adjoining Black Box Theater, was completed in 2016. The school library includes a library media center. Career and Technical Education facilities include a full Engineering and Construction Academy, computer labs for electronic music and digital video editing, and a restaurant grade culinary arts facility.

The Lincoln High school grounds and buildings are maintained by a district maintenance staff, which works in concert with our custodians. Repairs and projects that custodians are unable to handle are referred to district maintenance staff via a district-wide work order system. Day custodians maintain the school during the day and night custodians clean every classroom every night. The trash is emptied and desk surfaces and whiteboards are cleaned. Carpets are shampooed and floors are stripped and waxed once a year during school breaks. Repainting and removing graffiti is a high priority and most often taken care on the same day it appears. Three maintenance workers are assigned to LHS daily to clean the grounds following the lunch hour. Two full-time grounds men are assigned to our campus to maintain the grass, sprinkler system, flower beds, and all associated trimming of trees and bushes.

Seven full-time campus supervisors, two full-time Safety Officers and a Stockton Police Officer are assigned to LHS on a daily basis to ensure the safety of our students. A district Safety Officer patrols the school grounds after hours every night.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 Career Technical Education Programs

The Career Technical Education Department provides course pathways aligned to fifteen industry sectors defined by the California Department of Education. The courses are aligned with both state and national skill standards and provide excellent exposure to career concepts and expectations. Students have the opportunity to take classes ranging from single-period, introductory level classes to two-period, career training programs, which can involve field placements in local businesses. In

2022-23 Career Technical Education Programs

In addition to exposure for career interests, students may also earn college credits and gain professional experience. Course pathways offered: Media and Design Arts, Child Development, Food Service and Hospitality, Fashion Design, Manufacturing and Merchandising, Information Technology, Industry Building Trades and Construction Industry. Each of these industries are represented by members of the business community on our CTE Advisory Committee. Jessica Gregory (CTE Coordinator) is the committee's primary representative.

Lincoln Unified participates in the ARCH Student Apprentice Program. ARCH provides an opportunity for LHS CTE students to hold paid apprenticeship positions within the district in the fields of IT and Childcare.

2023-24 School Safety Plan

The Lincoln High School Safety Plan was developed and updated with guidance and support from USA Safe Schools. The safety plan is reviewed with LHS staff in August of each year. Components of the plan are revisited monthly with the staff. The plan includes procedures for immediate action responses and other emergency situations. Discipline policies and Restorative Justice practices are included in the School Safety Plan as well as in the Lincoln High School student handbook which is updated and published annually. The safety and discipline plans are reviewed and revised at School Site Council meetings/Safety Committee meetings and adopted by our district's governing board annually. The updated safety plan was board approved on February 22, 2023.

Professional Development

Lincoln Unified School District provides professional development days for staff annually as part of the contract, with site based follow up scheduled during the year. Tuesday morning meetings also provides teachers with additional time 2-3 times per month to collaborate and articulate with other grade level or department teachers. Teachers work in teams to analyze data, determine essential standards and plan instruction. Professional learning is provided to support implementation of new curriculum, best practices and instructional strategies to support the achievement of all students. In addition, new teachers are provided with three days of professional learning before the start of school each year. Our goal is to continue to have a highly
