2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Colonial Heights is located in the northern part of Lincoln Unified School District, in Stockton, California, a city of nearly 325,000 people. The Colonial Heights vision is to create a safe, respectful, and inclusive learning environment while promoting a community of resilient and responsible citizens. The Colonial Heights mission statement is: We believe in acceptance and compassion. We respect and value every student and strive to appreciate diverse life challenges with the expectation that every child reaches their full potential. Our motto is: Dream and believe, learn and achieve.

Colonial Heights is a school of diversity, both socioeconomically and ethnically, serving approximately 559 students in preschool through 8th grade. A little more than 80.3% of Colonial Heights students qualify for free/reduced lunch with approximately 12.3% classified as English Language Learners. Colonial Heights takes pride in being such a diverse school and works hard to address students' academic and emotional needs. A School Plan for Student Achievement has been developed, and our school's goals pertaining to student achievement are based on the following areas of identified need: improving student performance in mathematics and English language arts, improving the academic performance of students within special education, increasing family engagement, increasing academic rigor and promoting positive school culture.

All Colonial Heights community members, students, teachers, staff, and parents, work collectively to support student achievement in the above identified areas and meet regularly to look at data and discuss student progress. A unique feature of Colonial Heights is our Learning Center where our students with disabilities are educated alongside their peers in our general education classrooms, with curricular adaptations and accommodations made as needed to support students' learning goals. Promoting an environment that empowers students by respecting and appreciating what makes them different in terms of gender, ethnicity, disability, and beyond is a top priority of Colonial Heights School. Additionally, students identified as struggling may receive support from a variety of highly qualified teachers and staff members including a school counselor, nurse, special education teacher and/or Title I teacher. We are proud of our diverse population, embrace inclusion for all, and work hard to provide all students with the tools they need to be successful lifelong learners.

School Facility Conditions and Planned Improvements

Colonial Heights School is located in a suburban area of north Stockton, and resides in the Lincoln Unified School District. It was built in 1954. The campus consists of twenty-nine permanent classrooms, 4 portables, a library, multi purpose room, office with staff lounge, a learning center, and 4 playgrounds. A day time custodian, with the assistance of 2 night custodians, ensure cleaning of the school campus daily. Grounds and maintenance crews visit the campus bi-weekly ensuring the outside is well maintained and welcoming to school visitors.

The campus has been remodeled in the recent past and is generally in good condition minus the asphalt encompassing student basketball courts. Unique to this school year, students are working to refurbish the garden and bring much needed updates and life to the area.

Colonial Heights has a full-time safety officer. Teachers and staff work to supervise students before, during, and after school hours.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced

Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2021-22 | School 2022-23 | District 2021-22 | District 2022-23 | State 2021-22 | State 2022-23 |

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 Opportunities for Parental Involvement

Colonial Heights School staff regularly engages parents and guardians in meaningful ways and supports a partnership between school, home, and the community in an effort to improve student achievement. The school uses Parent Square and Aeries to regularly update parents/guardians about events and student progress. Parents receive information on curriculum, assessments, and grade level standards during Back-to-School Night in August each year. Teachers also meet with parents/guardians at least twice per year during conference weeks. Parents can join our Parent Teacher Student Association as a member or run for a board position. Our PTSA hosts schoolwide events such as art and movie nights each year. For information, please email Principal Lance Morrow at lmorrow@lUSD.net. Parents and guardians of students who are English learners are encouraged to attend our English Learner Advisory Committee meetings. For more information on ELAC, please contact Title 1 teacher Kadie Collette at kcollette@lUSD.net. Parents and guardians who are interested in making site-based decisions are encouraged to join School Site Council. If interested, please contact Principal Lance Morrow at lmorrow@lUSD.net.

Colonial Heights School has a fully functioning Academic Support Team (AST) consisting of the school principal, assistant principal, school psychologist, school counselor, Title I teacher, three special education teachers, and a speech teacher. In addition to our AST, Colonial Heights site leadership team meets monthly. The leadership team is led by the principal and includes one teacher from each grade level, the Title 1 teacher, a special education teacher, and our school counselor. Student Success Team (SST) Meetings are held regularly with parents/guardians to discuss student needs, concerns, progress, and plans for intervention.
