

ADMISSIONS REQUIREMENTS:

To participate, the student must submit a **Letter of Intent to Participate** to their respective high school or the State of Ohio by **April 1**. Contact your high school Counselor to find out how they handle this process. This must be done before applying to any college!

(Please note that students must be an Ohio resident and attend an Ohio High School.)

Students who are seeking admission into the College Credit Plus program must demonstrate college readiness by meeting Eastern Gateway's admission [standards and the state remediation-free standards of Ohio \(PDF\)](#). Eastern Gateway partially determines college readiness by using GPA, ACT, SAT, and/or Next-Generation ACCUPLACER scores.

Readiness Area	ACT	SAT	NEXT-GEN ACCUPLACER
English/Writing Sub Score	18	Evidence-Based Reading and Writing 480 (Combined)	263 or above
Reading Sub Score	22	Evidence-Based Reading and Writing 480 (Combined)	250 or above
Mathematics Sub Score	22	530	263 or above

Students without an ACT or SAT score are required to take the Next-Generation ACCUPLACER placement test to determine college readiness.

- Complete the online College Credit Plus application at <http://egcc.edu/ccp/>
- Submit the CCP Permission Form signed by the Student and Parent.
- Students may also be admitted based on a review of high school GPA, ACT, SAT, or NEXT-GEN ACCUPLACER scores, and other data as applicable.

Application Deadlines for the online application, supplemental materials, & test scores:

Priority Deadlines: Eastern Gateway Community College [Summer Semester 2024](#)
