**Proposed by Athletics:** Turf field in place of grass competition

# Scheduling

- HS Football
- JH Football
- Practices-Football/Soccer
- Field 11 is not big enough to have two HS teams share.
- Marching Band
- JH Soccer

# Usage & Weather-Grass Field

- Recommended an average of 40 games/practices per season
- Cannot use the field for football practice
- Cannot use the field during or after rain
- Soccer would rather practice on turf if that's where the majority of games will be played
- Community Use

# Consistency

## Soccer:

- Currently, all home games are on Turf
- Turf/Grass have different impacts on players and ball movement
- Opponents are mostly turf

## Football:

- Line markings
- Full size field
