

Summer

Middle School Math Boost

June 10- Aug 9, 2024

Pre-Algebra 7

(for current 6th grade students)

Algebra 8

(for current 7th grade students)

If your student passes successfully with a grade of a C (75%) or higher, they will be placed in the next grade level course for the academic school year.

These courses are run through Robbinsdale Virtual Academy (RVA) and are fee based.

Classes are \$300.00 per course. If you qualify for Reduced Educational Benefits, courses cost \$150.00 per course.

If you qualify for Free Educational Benefits, courses are free.

**Registration closes
June 7, 2024**

These courses are completely asynchronous and students will complete the work on their own time, with a structured plan to stay on pace throughout the summer.

The teacher will be available during office hours daily.
