Full Staff Development Days

March 15

Dear Hermon-DeKalb Community,

Happy New Year and Winter has finally arrived. We received our first snowfall in early January and by the time this newsletter is out we will be settled in to consistent cold weather. The school is busy this time of the year with consistent activities in the evenings and on the weekends. Our Girls' Varsity Basketball team has had a great first half of the season and has been leading the section.

We are currently working on next year's school budget and evaluating the upcoming needs of the district. We will have our first draft completed by early March.

We're thrilled to announce an upcoming celestial event that promises to be both awe-inspiring and educational – the **Solar Eclipse of 2024!** This rare occurrence will be visible from our location, and we want to make sure our students, teachers, and families are prepared to make the most of this extraordinary experience.

Date and Time: Mark your calendars for **April 8th**, when the total solar eclipse will occur at **3:23 pm**. This is on a Monday immediately following Spring break. All planning for this event will occur prior to break to get the students ready for the experience. The school day will be shifted that day beginning with a 10 am start and dismissal sometime after 4 pm.

Safety First: Observing a solar eclipse requires special precautions to protect your eyes. We remind everyone to use certified solar viewing glasses or shields. The school will provide these glasses to all students and staff, ensuring a safe and enjoyable viewing experience. Lessons on sun safety will be taught and emphasized leading up to the event.

Educational Opportunities: Our teachers are planning exciting and educational lessons and activities related to the solar eclipse. Students will learn about the science behind

this phenomenon, and how various civilizations throughout history have interpreted eclipses. We encourage parents to engage in discussions with their children about the eclipse and its significance.

HD Family Event: To make the solar eclipse a family event, we invite families to join us on the school grounds for a special viewing gathering near the start of the eclipse. Both the Elementary and the Secondary will have a variety of eclipse activities to engage in leading up to the eclipse. Our goal is to have our students and families enjoy the eclipse together.

Weather Contingency Plans: A spectacular eclipse is dependent on one thing, clear weather. While we hope for clear skies, it's essential to have a backup plan in case of inclement weather. Indoor activities will be planned and we will still participate in the darkness that will occur with or without clouds.

Stay tuned for more details and updates as we approach this cosmic event.

Sincerely,

Mark White

News from the Principal.....

As winter wears on this is often a time when students need to be reminded of the importance of school and completing their work. Most often grades will drop during the 3rd quarter and we see an increase in students missing school. There are many reasons for this possible drop in grades and attendance. As parents and educators it is important for us to continue to encourage our kids to keep working and keep coming to school. If you are concerned with your child's grades or attendance, please contact me to discuss what we can do to help.

We invite you to join us for in-person spring parent-teacher conferences. If you would like to request a conference with your child's teacher or team of teachers, please feel free to contact Angela Fenlong to set up a conference for students in grades PreK-6 and the Guidance Office for any students in grades 7-12.

We look forward to seeing warmer temperatures. Please reach out with any questions or concerns you have so we can work together to make the best school experience for students.

HERMON-DEKALB - **Pre-K screening** is scheduled for **Tuesday, May 7, 2024**. Anyone with a child who is 4 years old on or before December 1 of this year and lives within the Hermon-DeKalb Central School District should notify the elementary school secretary at 347-3442 to make an appointment. Parents should bring the child's birth certificate, record of immunizations and proof of residency to the screening.

HD Heroes Banner Program

For the 2023-24 school year, Hermon-DeKalb Central School has a section of the Senior Class working on a special task for their capstone project – developing community banners to recognize veterans of the district!

There is a link to a form on our school website and our Facebook page. This provides all the information you need and allows you to place an order. The orders will be accepted for this year until March 15th, 2024. We also accept donations.

If you have questions or need assistance, contact Veronica A. Lamb vlamb@hdcsk12.org

THANK YOU!!

The United Methodist Churches of DeKalb Jct and Hermon would like to thank all of the community members and organizations that have donated food and money to our pantries. Without your support we would not have been able to provide our holiday food boxes to over 50 families at both Thanksgiving and Christmas in 2023 and to several families needing food to tide them over. We are small communities but when we all work together we can do mighty things.

OUR MISSION

The United Methodist Churches of DeKalb Jct and Hermon have food ministries through which they provide food boxes for individuals and families **within** the Hermon-DeKalb School District at Thanksgiving, Christmas and Easter. We do not receive food from any government agencies which allows us to offer these boxes without adhering to federal income eligibility guidelines. All our food and monetary support comes from local community and church members. John Frary the long time contact for the DeKalb Jct UMC food pantry is moving out of the area. Until a replacement is found April Allen will act as the point of contact for any resident within the Hermon-DeKalb School District that is looking to either be added to the list to receive a holiday food box or is in immediate need of food for themselves and/or their family. Please call April at 315-854-5135 and leave your name and number so your call can be returned.
