

The background of the slide is a photograph of a football game. In the foreground, several football players in blue jerseys and white pants are running on the field. The jerseys have 'JOSHUA' and their numbers (e.g., 27, 50) on them. To the left, a line of cheerleaders in blue and white uniforms with cowboy hats is visible. In the background, a large blue banner with 'JOSHUA' in white letters is being carried. A scoreboard on the right shows '0' for one team and '228' for the other, with 'DOWN TO GO' and 'BALL ON' also visible.

# LEGISLATIVE IMPACT

- **The \$18 billion legislative package is broken into two key pieces, tax rate compression, and an increase to the existing homestead exemption**
  - \$12.6 billion to reduce public school's tax rate by \$0.107 per \$100 of home value in addition to regular compression
    - Joshua ISDs M&O tax rate is expected to decrease \$0.1854 under this legislation
  - Approximately \$5.3 billion to increasing the existing homestead exemption, from \$40,000 to \$100,000 (e.g., An average home in Joshua ISD with a market value of \$286,000, you will now pay your taxes to Joshua ISD on a value of \$186,000)
