

## ABOUT SUMMER LIFT

Summer Lift is a specialized literacy clinic designed to improve the reading skills of students in grades 2-12 while promoting a love of literacy. Enrollment is limited to 30 applicants. The interventionists are reading specialists who work with students in a one-to-one or small group setting and create fun and engaging individualized lessons. Students and parents are provided with summative feedback at the end of the program

"Reading is a matter of life or death".
