

MCGAW YMCA META SUMMER EXPERIENCE (MSX)

PROGRAM INFORMATION:

June 10-July 19, 2024 (6 weeks)*

Monday-Friday from 8:30AM-12:30PM

McGaw YMCA MSX Offers:

Explore STEAM with MSX! Designed for 5th-7th graders, this program offers a community-focused STEAM learning environment. Guided by mentors, Northwestern University faculty, and teaching interns, youth study Evanston's history and local community. The curriculum, created by NU faculty, supports differentiated literacy learning. Afternoons feature optional camp experiences with STEAM topics like Interactive Storytelling, Coded Beats, and 8 Bit Bootcamp. MSX is offered in partnership with Northwestern University and Evanston Community Partners.

McGaw YMCA MSX program is offered at no cost for those that qualify and are accepted.
