- Proof of Residency
- Custody Documents (if applicable)
- Parent's Driver's License

3. Your cost of tuition must be determined. Pay full price or apply for free or reduced tuition by completing the financial application and submitting your proof of income. Grants are also available.

4. The PS Secretary will schedule a screening for the next available screening date.

Screenings will be held at Oakwood and Paulding Elementary Buildings

* March 22, 2024 at Oakwood Elementary 8-11am & at Paulding Elementary 12-3pm

* April 5, 2024 at Oakwood Elementary 12-3pm * April 12, 2024 at Paulding Elementary 8-11am

5. Complete Final Forms (accessible on the District website) once approval is received.

The preschool office will notify parents of acceptance and tuition determination.

Registration Notes:

- ★ Complete the registration process by June 6, 2024 to ensure your child is placed on a class list and starts the first day of school in August. Otherwise, there is a possibility of a delayed start after Labor Day.
- ★ Student placement is based on the completion date of the registration process.
- ★ Start dates will be determined once all steps are completed.
- ★ For first-time students, the physical form must be completed and submitted by September 27, 2024.
- ★ The Preschool Teachers will contact parents in early August to schedule Orientation appointments before school begins.

If you have a developmental concern with your child but are not interested in sending your child to preschool, please contact the Special Education Office at 419-399-4656 extension 1228, to schedule a developmental screening.
