

TSD CREDIT REPLACEMENT PROGRAM

REGISTRATION: MAY 13 - JUNE 21

troy.ce.eleyo.com

SESSION DATES

June 24 - August 23

This opportunity is ONLY for existing TSD high school students who have been invited to participate in the TSD High School Credit Replacement Program. You will have the opportunity to regain credit for courses you earned a NC (No Credit), E or H grade. **Letter grades will NOT be given.** Only courses needed for graduation will be offered.

Please note not all courses that we offer in our schools are available through this online program. We are not able to offer credit replacement courses for many of our electives and some core classes only have one offering. Please see attached for list of courses available. Students may enroll in no more than three courses this summer.

Students must meet with school counselor, assistant principal, or principal for course selection questions.

- This program will be available from June 24 - August 23 online with support from a mentor teacher.
- To receive credit, students are required to complete their course(s) by August 23. Students must consistently participate in their course(s) and communicate regularly with their mentor teacher or they may be dropped from the program.
- Once a student successfully completes the credit recovery course, the NC (No Credit), H or E on the student's transcript will be replaced with a CR (Credit) or G. **Letter grades will NOT be given.**

All TSD CR information is posted in the TSD CR Google Drive - (*link will be provided in April*)

For questions about Edgenuity/account login issues, please email Jeff Williams (Summer School Principal) at jwilliams@troy.k12.mi.us, starting on June 24. For all other questions (drop, change, confirm courses), please email Katie Hancock (Summer School Secretary) at khancock@troy.k12.mi.us.

Please see regular High School Summer School offerings for new credit, audit or regular credit recovery (Earned C, D, or E previously in course - letter grades will be given) options.

TSD CREDIT REPLACEMENT COURSES AVAILABLE

3 COURSES MAX PER SUMMER
