## ***Frequently Asked Questions: 50% Giveback Fundraiser***

### **1. Can I order online, or does it have to be in-store?**

Yes, you can order online! On the flyer affiliated with your organization's fundraiser, it will have a PROMO code that will work the day of your fundraiser. You will plug this PROMO code in at the very end of your online order through the app. You will know the code went through when it prompts "success, 0% discount applied". This is because it is not a discount code, it is a tracking code. This sends your order directly to our system's back-end where our leadership team can see the total number of orders and dollar amount to get you an accurate donation percentage from both in-store and online.

### **2. What type of sub can I get with the flyer?**

There is no limit. You can order lunch for your staff, just come in for a sub, or take your family out to dinner. The choice is yours. The more spent, the more donations received! You also are capable of ordering in-store or online, just follow the instructions on the flyer.

### **3. How does the donation work?**

The Dine-to-Donate Day works as a giveback. Depending on the amount that you spend, your organization will receive 50% back for their donation!

### **4. Can the flyer and promo code be used at other locations?**

The flyer and code may only be used at the locations listed on the card. The promo code is only programmed for the store that is hosting the fundraiser for the day agreed upon.

### **5. Can I hand out flyers outside the location to customers walking in?**

No. These flyers should be handed out or sent prior to the day of the event to give the people in your organization time to plan to come for lunch or dinner and support the fundraiser. We do not allow flyers to be handed out to those not affiliated with the event or our current customers. If this occurs, we reserve the right to deduct funds for those flyers improperly supplied.

### **6. What are the store hours?**

We are open from 10am - 9pm every day. The fundraiser will go all day!
