6th Grade Transition Letter

What an exciting time! You are going to be a **Middle Schooler** - a 6th grader.

You are going to start getting a lot of information sent your way, please pay attention to important details and deadlines.

This email is the first of many steps to making sure that you are armed with as much knowledge as possible.

1. **READ:** The [BVSD Rising 6th Grade Welcome Letter](#).
2. **REVIEW** the 6th grade transition information provided to you through your 5th grade class in Schoology
3. **PAY ATTENTION** to the upcoming [middle school specific transition information](#) and course selection dates.

Sit down with your parent/guardian this weekend and read the letter together! It is also a great idea to have a parent/guardian sit down with you to look at the 6th grade transition information provided in Schoology.

Every middle school in the district will have school specific information that they will be making available within the week.

The course selection window for Boulder Universal will be available for incoming 6th grade students to choose courses between now and MARCH 4th.

5th/6th grade transition information for Boulder Universal students is now available on our website: <https://bu.bvsd.org/counseling/academic-planning/course-selection/6th-transition>

Please let me know if you have any questions.
