An Act Relative to Background Checks (MGL Chapter 459 of the Acts of 2012, as amended by Chapter 77 of the Acts of 2013)

Notice to Bourne Public Schools Staff:

The Governor signed into law for staff hired after July 1, 2013, a requirement for all public school employees to have a national criminal background check. Unlike CORI, this check will examine criminal activity in all states including Massachusetts.

You are required to submit your fingerprints for the national criminal background check. This document will help guide you through the registration process.

The fingerprinting process requires two steps. The first step is to register online for an appointment to have your digital fingerprints taken. The second step requires you to go to a location to physically have your fingerprint taken.

Please visit <https://MA.state.identogo.com> to register for a date, time and location to have your fingerprints taken.

When you are asked to provide a "Provider ID" please use the following codes for the school you work the most:
