to serve you

*Welcome!*

FLIK Independent School Dining is proud to be joining the Bolles School Community as your dining service partner in the upcoming year. We can't wait to meet you!

### ***What is FLIK'S Food Philosophy?***

As a culinary driven organization from inception, FLIK'S focus has always been cooking from fresh, whole foods and using quality ingredients. Our mission is to provide wholesome, nutritious meals that fuel the minds of our campus communities.

### ***How are Menus Created?***

The on-site chef creates menus with local/regional flavors and ingredients. They receive guidance, training, and suggestions for on-trend, innovative ideas from a central FLIK culinary, nutrition, and marketing team.

### ***What if I have an Allergy or Special Dietary Need?***

FLIK believes in a customized approach to serving students with special dietary needs. Schools receive support from registered dietitians regarding training, operation management, and communication to ensure safety.

We are thrilled to be a part of the Bolles School Community and look forward to your feedback. Your manager can be contacted for any of your dining needs or food innovations.
