

PCPS Happenings

PPS / PES

Kindergarten registration for the 2024-25 SY has opened - please spread the word! A Parent Information Night will be on Feb 15 @ 5:30pm.

Students at each grade level have been exploring and then practicing with BeeBots! These robots introduce students to coding and computer science. We are thankful for our ITRT's and teachers who help students expand their experiences!

This week, the 100th Day of School is quickly approaching, can you believe it?!

On slate this week, the 2nd grade will participate in the American Heart Challenge (Jump Rope for Heart) and the Senior Social will be Thursday evening.

PES kicked off their cookie dough fundraiser and students are working on prizes. If they meet their goal, Mrs. Gryszko has to kiss a pig!

Much thanks to the PES PTO who brought in a Mad Scientist for our students to experience science in action!

The PES Service Club took the opportunity to reach out within our community by making Valentine cards for residents at Dominion Village!

Follow us! @poquosonschools

PMS / PHS

Battle of the Classes will be on Feb 15 @ 6pm. Which grade level will prevail as the victor??

Rising Middle School students (6th, 7th, & 8th) have Parent Information Night at PMS on Feb 21st.

PMS students in Tech Ed classes have been busy designing and wiring lamps, as well as designing and constructing bridges to then test for structural efficiency! Lots of great hands-on activities are happening!

PMS students are taking advantage of the new hydroponics makerspace in the Media Center. Students from various classes have come to grow and learn!

Rising Freshmen Parent Information Night is Feb 8th at 6pm in the PHS Forum.

PHS Military Science classmates got to take a field trip to meet and see first hand Air Force personnel at work.

The PHS Theatre Dept was hard at work and put on 3 One Act Plays on Jan 24. We have so much talent and appreciate everyone who came out to see first-hand!

Our Wrestling and Academic Challenge teams have done incredible work at regionals and are now heading to states! Coming up next, track and swim both have regional competitions just around the corner and basketball will be finishing their regular season next week!

District

Kindness Week is Feb 12-16! Check out your schools' newsletters for themed days and lots of great events!

BULLS SHOW UP!! PCPS is targeting chronic absenteeism! Studies show that students who are absent for more than 18 days per year show lower test scores- up to 18% lower in math and 25% lower in reading. Not only do students suffer academically, but being absent disrupts routines and creates missed opportunities. We want all students to be successful and have equal opportunities for a brighter future which starts with strong attendance!

February 5th-9th is National School Counselor Appreciation Week and we would like to take one more opportunity to thank our school counselors for all that they do for our students, families, and staff! They are a wonderful asset to our school community!
