Temporary positions cannot be for the entire school year. Temporary positions must be paid in accordance with the established pay scale within this document. Temporary positions are not eligible for benefits. Temporary positions terminate at the end of the school year. If a temporary employee is hired into a permanent position,

The Superintendent shall be notified no less than two days prior to the commencement of such leave.
  - 2.7 Designated representatives of the Association shall be allowed to receive telephone calls and other communications concerning Association business at any time during school hours so long as these activities do not interfere with normal school operation.

### **Article 3: Board Rights**

- 3.1 It is herein agreed, that except as specifically and directly modified by the express language in a specific provision of this Agreement or otherwise mutually agreed to, in writing, between the parties, all management functions and responsibilities, including the determination of educational policy, the operation and management of the school, and the control, supervision and direction of the staff are vested exclusively in the Board. By way of example, these rights include, but shall not be limited to, the sole discretion and authority to:
  - (a) establish the curricula, methodology and standard for teaching;
  - (b) plan, direct, schedule, assign, transfer and control work assignments and duties;
  - (c) establish evaluation criteria and processes;

- (d) establish and modify the schedules for and length of the work year, school year and work day of employees and layoff employees;
- (e) establish and modify payroll schedules and methods for recording employee attendance and punctuality;
- (f) determine the means, methods, processes, materials and equipment necessary to deliver the services provided by the District, including the subcontracting of bargaining unit work, however no layoffs will occur as a result of subcontracting;
- (g) create, revise, and eliminate positions;
- (h) to hire, transfer, promote and demote employees;
- (i) discipline, suspend, discharge and not re-employ employees subject to the provisions of this Agreement;

- (k) to take such other action as it deems necessary to maintain the efficiency of the District's operations.

3.2 The Board's exercise of any retained right or function in particular manner shall not preclude the Board from exercising the same right or function in any other manner which does not expressly violate a specific written provision of this Agreement. The Board's failure to exercise any right or function reserved to it shall not be deemed to be a waiver of its right to exercise such right or function at any future time.

3.3 It is understood that the Board may carry out its functions and responsibilities through the Superintendent and his or her staff, as well as other managers, supervisors and the Principal.

#### **Article 4: Negotiation Procedure**

4.1 Negotiation procedure will be consistent with VSA Annotated Title 21, Chapter 22.

4.2 All collective bargaining shall be conducted between the School Board and/or its representative(s) and the Association and/or its representative(s).

4.3 On or before October 1 prior to the expiration of this Agreement, either party will submit to the other written notice(s) of its intent to negotiate a successor agreement concerning wages, fringe benefits, and terms and conditions of employment. Actual negotiations will begin no later than November 1<sup>st</sup> of that year.

4.4 During such negotiations, the School Board and the Association will present relevant data, exchange points of view, and make proposals and counter-proposals.

- 4.5 Either party may, (if it so desires,) utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations.
- 4.6 Any agreement reached shall be reduced to writing and signed by the negotiating teams for the School Boards and the Association and submitted to the Boards and Association for ratification. The School Board, within thirty days of the signing of this agreement, shall be responsible for providing four copies to the bargaining unit and distributing electronic copies of the agreement to all current bargaining unit members and new hires. In addition, one copy of the agreement shall be available for reference in the Principal's office at Marion Cross School.

### **Article 5: Vacancies**

- 5.1 When the administration has determined that a vacancy will be filled it shall post notice of vacancies on the SAU70 website and email notices to the association president and Office Assistant. Such notices shall contain the date of posting, and a brief description of the position. The period between posting of a position and closing of applications shall be no less than four days.

### **Article 6: Reduction in Force**

- 6.1 The rights and benefits of this article are granted exclusively to employees who have completed one or more year of service in the District
- 6.2 If the Board determines it necessary to decrease the number of staff, eliminate any position or reduce hours in a position, the Board may lay-off the necessary number of staff or reduce their hours, but only in the inverse order of seniority within employee classifications: educational assistant (para-educator), Intensive Special Needs Educational Assistant, office assistant and custodian. In the case of a tie in seniority, the administration will decide whom to retain based on the needs of the district and the documented job qualifications and written job performance of the support staff that are "tied". (e.g. Less senior staff members will be subject to lay-off or reduction in hours before more senior staff members.) A bargaining unit member with low seniority may be passed over in a layoff or reduction circumstance if he/she possesses special skills that are presently needed and uncommon among other bargaining unit members. An example of such skills is sign language for the hearing impaired. The School Administration retains the right to determine assignments while applying the reduction in force procedures. A staff member being laid off who is qualified for another position may displace a staff person in another area or position with less seniority within the District. Under this article, no staff person may be prevented from securing other employment during the period the staff person is laid-off. When a (new) staff position becomes available, laid-off staff members of the district shall be offered

re-employment in the inverse order of their having been laid-off, provided that they are qualified to assume the available position(s) in accordance with Article 5, Vacancies. Employees who are to be laid off pursuant to this Article will be given at least twenty (20) calendar day's written notice by the District of the impending reduction in force.

- 6.3 Recall rights shall remain in effect for fifteen months from the date on which the layoff notice became effective. A recalled staff member's credit for previous years of service in the District shall not be lost as a result of a layoff. Employees who have been laid off, shall retain the right to be recalled to any vacant positions within their job category in reverse order of layoff for a period of fifteen (15) months immediately following the date of the layoff provided the employee is qualified for said position. Notice of recall shall be by certified mail and by electronic mail and forwarded to the employee within ten (10) days of when the vacancy becomes available in the District. Notice shall be sent by certified mail and by electronic mail to the employee's last known address. If the employee does not make himself or herself available to fill the position within fifteen (15) calendar days after the recall notice was sent by the District, he/she shall be deemed to have refused the position and waiver further recall rights under this Agreement.
- 6.4 The Administration shall prepare a seniority list by November 1 of each year. Support staff shall have the right to challenge their place on this list by serving notice of the challenge directly to the administration within ten (10) calendar days of the list's publication.

## **Article 7: Just Cause**

- 7.1 Right of Representation: A staff member shall at all times be entitled to have a representative of the Association present at any meeting when he/she is being disciplined for any infraction or deficiency in performance unless the Board or its agent determines that the infraction or deficiency warrants immediate discharge or suspension. In all cases not demanding immediate action, the staff member shall be given at least three (3) days' notice of any such meeting.
- 7.2 Statement of Reasons: No staff member who has been employed for more than one year shall be discharged, suspended, non-renewed, warned in writing, or reduced in rank, hours, or compensation without just cause (see Appendix 1 Guidelines for Just Cause). In addition, a written statement which provides the reason(s) for such action shall be provided. All written material forming the basis for such disciplinary action will be made available to the staff member and the Association unless dissemination is controlled by statute.
- 7.3 No disciplinary action or reprimand based upon an employee's conduct of performance shall be made unless a support staff employee has had an

opportunity to first discuss with his or her supervisor their conduct or performance giving rise to such disciplinary action or reprimand.

- 7.4 Oral Communications: This article shall not apply to oral communication between supervisors and staff members in the regular management of the schools such as suggestions, corrections, directives, or advice.

## **Article 8: Evaluation**

- 8.1 It is recognized by the parties that evaluation of performance is the responsibility of the administration. The employee will be informed of the person responsible for his or her supervision. The supervising staff member will not be a member of this bargaining unit. The administration shall complete evaluation(s) for each support staff employee in accordance with Board Policy GDI. Failure to complete the evaluation prior to the deadline shall result in no evaluation being provided that year. While the administration may delegate preparation of evaluations to teaching staff member who have knowledge of the employee's performance, ultimate responsibility for evaluation shall rest with building administration, and each evaluation shall be signed by a building administrator. The completed evaluation form will become part of the employee's personnel file.
- 8.2 Support staff employees will be provided with job description on their initial day of work on the job.
- 8.3 No disciplinary action, reprimand, shall be made unless a support staff employee has had an opportunity to first discuss his or her evaluation with the principal.
- 8.4 Marion Cross School shall have a standard evaluation form to be used for all support staff evaluations in that building. The evaluation form will provide lines for the signatures of the employee and the building administrator. Each individual shall sign the completed evaluation. The signing of the evaluation by the employee is an acknowledgment by the employee that he/she has been informed of the contents of the evaluation; the signature of the employee does not necessarily indicate that the employee concurs with the evaluation. The employee may attach to his or her evaluation form, a written statement or a copy of the evaluation form as he or she believes it should be completed.
- 8.5 No material pertaining to a staff member's job performance or behavior will be placed in his/her personnel file unless the staff member has been given a copy of the material and been given an opportunity to sign the material. Signature of the employee does not necessarily indicate that the employee concurs, only that the material has been seen by the employee. The staff member and his/her representative will be allowed access to his/her personnel file.

## Article 9: Grievance

### ACKNOWLEDGEMENT OF ARBITRATION

IN ACCORDANCE WITH 12 V.S.A. SECTION 5652 (b), THE BOARD AND THE ASSOCIATION UNDERSTAND THAT THIS AGREEMENT CONTAINS AN AGREEMENT TO ARBITRATE. INSTEAD, THE PARTIES AGREE TO SUBMIT ANY SUCH DISPUTE TO AN IMPARTIAL ARBITRATOR IN ACCORDANCE WITH THE PROVISIONS CONTAINED IN THIS ARTICLE

- 9.1 Definition. Any claim by the Association, an employee, or employees that there has been a violation, misinterpretation, or misapplication of the written terms of this Agreement.

- 9.4 Time Limits/Procedure. No grievance shall be entertained except in accordance with the procedures specified in this contract. Failure of the grievant or Association to advance the grievance to the next step of the grievance procedure within the time limits contained in this Article shall render the grievance null and void. Failure of the Board or administration to respond to the grievance within the time limits contained herein shall constitute a denial of the grievance thereby triggering the right of the grievant/Association to pursue the grievance to the next step of the procedure.
- 9.5 Grievant Representation. In the formal grievance procedure herein provided, the grievant shall at all times be entitled to be represented by representatives of the Association or to appear with the assistance of such representatives except at no time shall the grievant be represented by an administrative official of the school district. The Association and its affiliate, VT-NEA, shall be the sole and exclusive representative of the grievant.

- 9.6 Informal Resolution. Nothing contained within this grievance procedure shall be construed as limiting the right of an employee to discuss a complaint informally with his/her supervisor to having the dispute adjusted without the intervention of the Association, provided such adjustment is consistent with the terms of this Agreement. Should informal processes fail to resolve the grievance, a formal filing of grievance shall be made in accordance with the procedures detailed herein.
- 9.7 Procedure Step 1. The grievant shall forward a written copy of the grievance to the Principal, setting forth the specified problem being grieved and stating the redress sought. The Principal shall conduct a meeting with the grievant and Association within seven (7) days of receipt of the grievance and shall provide a written response to the grievant/Association within ten (10) days of said meeting.

The Superintendent shall conduct a meeting with the grievant and the Association within ten (10) days of receipt of the grievance and shall provide a written response to the grievant/Association within seven (7) days of said meeting.
- 9.9 Procedure Step 3. If the grievance is not resolved at Step 2, the grievant may appeal the Superintendent's decisions by filing a written notice of appeal within five (5) days of the date that the Superintendent's response was due. Said appeal must be filed in writing with the Chairman of the Board, together with written reason for the grievant's dissatisfaction with Superintendent's decision and remedy sought. Within fifteen (15) days of receipt of the appeal, the Boards shall arrange for a meeting with the grievant to hear the basis of the grievant's dissatisfaction with the Superintendent's response. The grievant may present the Board with such testimony and witnesses as he deems necessary to develop the fact pertinent to the grievance. Within seven (7) days of said meeting, the Board shall provide a written decision to the grievant, with copies provided to the Association.
- 9.10 Procedure Step 4. If a grievance is not resolved in Step 3, the Association may, within twenty (20) days of the deadline for receipt of the Board's decision, demand binding arbitration of the grievance. Such demand shall be in writing and sent to the Superintendent and shall include the reasons for the grievant's dissatisfaction with the Board's decisions and remedy sought. The arbitrator shall be determined by mutual agreement between the Board and the Association. Should the parties be unable to agree upon the selection of an arbitrator within ten (10) days after the date of demand for arbitration, the Association shall file its request for arbitration with the American Arbitration Association ("AAA") pursuant to AAA's Voluntarily Rules. If the grievance is not submitted to the

AAA within (20) days of being submitted to the Superintendent, the grievance shall be-considered withdrawn.

- 9.11 The arbitrator's authority shall be limited to interpreting and applying the terms of this Agreement and he/she shall have no power to add to, subtract from, alter, disregard or modify any such provisions. The arbitrator shall be limited to the issues raised by the parties.
- 9.12 The expenses of the arbitrator's services shall be borne equally by the Board and the Association; however, each party shall be responsible for compensating its own representative and witnesses. If either party desires a transcript of the arbitration then that party shall bear the full cost of said transcript, including the cost of providing a copy to the other party.
- 9.13 Step By-Pass. Provided that the Association and the Superintendent agree, Step 1 and/or Step 2 of the grievance procedure may be by-passed and the grievance brought directly to the next step.
- 9.14 Cooperation. The Board and the Association will cooperate in the investigation of any grievance, and they will furnish to one another such reasonable information as is necessary for the processing of a grievance.
- 9.15 Processing. Under no circumstances shall the Association involve students who are minors in the investigation, processing, or hearing a grievance unless prior written consent from a parent or guardian is filed with the Superintendent at least twenty-four (24) hours before such involvement.
- 9.16 A grievance may be withdrawn or settled at any level without establishing precedent.
- 9.17 Neither the Board nor the Association will take any reprisals against any person because of his/her participation, or refusal to participate, in this grievance procedure.

## **Article 10: Insurance**

- 10.1 Insurance. The District agrees to provide all insurance coverage for employees as set forth in this Agreement, subject to the eligibility requirements of the individual insurance carrier unless such eligibility requirements are modified by the terms of this Agreement. The District shall be held harmless for any and all costs or claims in the event that the insurance carrier denies coverage of such a claim; further, the District shall not be liable for any act or omission of any insurance carrier, its employees or agents, or any person furnishing professional service pursuant to the insurance coverage set forth in this Agreement. By mutual agreement, the District and the Association may elect to change the insurance

carrier or plan noted herein during the life of this Agreement. In the event that an employee's spouse or civil union partner is employed by the District, the District will be obligated to provide only one insurance plan for the spouses or civil union partners as a unit (e.g., two-person or family plan).

- 10.2 Effective January 1, 2021, the existing 10.2 shall sunset and will be replaced by the following new provisions:
- (a) Effective July 1, 2020, pursuant to 16 V.S.A. chapter 61 (Commission on Public School Employee Health Benefits), health care benefits and coverage, excluding stand-alone vision and dental benefits, but including health reimbursement arrangements and health savings accounts, shall be governed by the written document incorporating the terms of the statewide health insurance bargaining.
  - (b) By law, the terms of the agreement incorporating all matters agreed to in negotiation by the Commission on Public School Employee Health Benefits are incorporated by reference into this Agreement. Printed at the end of this Agreement, located in Appendix 3, is a terms and conditions document from the Commission on Public School Employee Health Benefits. This terms and conditions document is included only for the convenience of the parties hereto as a reference; it was not bargained or agreed to by the parties to this Agreement and for the purposes of this Agreement shall apply to members of the bargaining unit only and it is subject to change in subsequent state-wide bargaining between the Commission on Public School Employee Health Benefits. The terms and conditions document in Appendix 3 will automatically be considered amended to the extent necessary for full compliance with subsequent changes to such state-wide health insurance and related benefits terms and conditions.
  - (c) Effective July 1, 2021, the District will contribute 88% of the premium cost for the VEHI Gold – CDHP Plan for single, 2 person (adult), parent/child(ren), or family coverage. Support Staff personnel who work at least thirty (30) hours per week and choose not to accept the medical insurance benefit, will receive a payment of up to five hundred dollars (\$500.00) per year. A continuing employee must declare his/her intent to decline participation in the district's

health insurance plan by July 1<sup>st</sup> of each contract year. If the employee finds that he/she must return to the district's health insurance plan, (1) the employee must satisfy the health insurance provider's re-entry requirements, if any; and, (2) the amount of the Medical Insurance Buy-back will be pro-rated. Pro-ration will be calculated by counting the number of months that the employee is actually "on" the district's health insurance plan and dividing that number by twelve. If the return to the district's health insurance happened prior to the December payment, the amount of the Medical Insurance Buy-back will be reduced by the pro-ration. If the return to the district's health insurance happens after the December payment, the employee will repay excess Medical Insurance Buy-back to the district. If the employee terminates employment mid-year, the reimbursement to the District shall be pro-rated.

- (c) The district will pay the premium cost for these benefits for eligible employees.

10.6 Workers Compensation. When an employee receives Workers' Compensation benefits, he/she shall also use his/her accumulated sick leave to offset the difference between the Workers' Compensation benefits and his/her full salary. This shall be accomplished by the employee endorsing Workers' Compensation benefit checks over to the District, including those received during all holiday and vacation periods (including summer vacation); the District will then pay the employee his/her full wages and deduct 1/3 of a sick day from the employee's accumulation for each school day of absence. The Board shall also continue to pay its share of all insurance benefits provided by the Agreement until the

employee's sick leave is exhausted. Accumulated sick leave does not include additional sick leave for the new contract year.
