INTERNET USE AGREEMENT – STUDENT

INTERNET POLICY: Computers in our school have access to the Internet. Students and staff are responsible for appropriate behavior while using Internet access or school computer networks. Network use is a privilege, not a right, and can be removed. Review of School District Policy #524 and signed agreements will be required of all students. Violations of policy will be handled by building administrators in accordance with school disciplinary procedures.

STUDENT

I have read and understand the school district policies relating to safety and acceptable use of the school district computer system and the Internet and agree to abide by them. I further understand that should I commit any violation, my access privileges may be revoked, school disciplinary action may be taken, and/or appropriate legal action may be taken.

PARENT OR GUARDIAN

As the parent or guardian of this student, I have read the school district policies relating to safety and acceptable use of the school district computer system and the Internet. I understand that this access is designed for educational purposes. The school district has taken precautions to eliminate controversial material. However, I also recognize it is impossible for the school district to restrict access to all controversial materials and I will not hold the school district or its employees or agents responsible for materials acquired on the Internet. Further, I accept full responsibility for supervision if and when my child's use is not in a school setting. I hereby give permission to issue an account for my child and certify that the information contained on this form is correct.

Parent or Guardian's Name (please print):

SUPERVISING TEACHER

(Must be signed if applicant is a student)

I have read the school district policies relating to safety and acceptable use of the school district computer system and the internet and agree to promote these policies with the student. Because the student may use the Internet on the school district computer system for individual work or in the context of another class, I cannot be held responsible for the student's use of the Internet on network. As the supervising teacher I do agree to instruct the student on acceptable use of the Internet and network and proper network etiquette.
