Go Warriors!

Aloha High School Opportunity Fund!

Was there a class you wanted to try in high school with no experience needed or to begin your portfolio or resume to show what you can do?

This is a great opportunity to join Warrior alumni and the Aloha community in supporting current and future group requests for a wide range of project activities. The Endowment Fund contributes annual earnings to the Current Fund. Current Fund resources are available any time for AHS small group requests. Funds are used to stimulate student interest in exploring career and personal development.

Sample group fund uses include:

- Competitions - speech, robotics
- Performances and displays – art, music
- Projects – wood, auto, business, science, apprenticeship
- Role simulations - model UN, mock conventions
- Extra class activities - field trip support, funding for speakers, or even special media events

YES! I want to support the Aloha High School Opportunity Fund
