

# Deer Creek High School

## Concurrent Enrollment Contract

**Concurrent college education provides eligible high school students with an opportunity to enroll in college classes while still attending high school. College transcripts are permanent records, therefore, students and parents/guardians should understand the benefits and risks associated with concurrent college enrollment.**

- Students are responsible for their own transportation and may not stay on the DCHS campus during their scheduled concurrent hours on the days they do not have class due to school safety and accountability requirements. If a student needs to stay on campus, they must be in their assigned location.
- All grades earned through concurrent enrollment will be placed on the student's high school transcript and will be computed into the cumulative GPA at a .5 additional value.
- Through the college, a student may receive a grade of W when withdrawing from a course. All W grades will be transcribed as NC (No Credit) on the DCHS transcript, which will compute the same as a failing grade in your GPA.
- Failing a concurrent course may affect graduation status.
- Students must maintain a college GPA of 2.0 or above on a 4.0 scale. Therefore, a concurrent student who fails to achieve the required 2.0 college GPA will no longer be considered eligible for concurrent enrollment.
- Eligible high school seniors will receive a tuition waiver for a maximum of eighteen (18) credit hours of concurrent college enrollment. The senior tuition waiver may be divided over the three senior semesters: summer, fall and spring. Funding for juniors is dependent on the appropriation for the current year.
- Students are required to pay for concurrent course fees, books, and supplies.
- Students who cause disruptions or behavior problems in their concurrent classes will not be allowed to enroll for on campus concurrent classes moving forward.

### VERIFICATION OF UNDERSTANDING BY STUDENT AND PARENT:

By signing below, I agree that I have read and understand the DCHS Concurrent Contract
