Healthy Meals

Dayton Nutrition Services is aware that school lunches and other food available at this site can make a significant difference in the health of our students now and in the future. We want to help our students make healthy choices and learn eating habits that will benefit them throughout life. All meals include a choice of 1 % white milk or nonfat chocolate milk. All meals include a trip through the variety bar filled with fresh fruit, canned fruit and fresh vegetables. All grain products are whole grain.
