

DOISY COLLEGE OF HEALTH SCIENCES

SUMMER HEALTHCARE EXPLORATION CAMP

WHAT IS INCLUDED?

Students will stay in one of SLU's residence halls, have meals provided, receive SLU gear, have organized evening activities, and participate in multiple educational activities in health sciences.

WHAT WILL I LEARN?

Participants will learn more about all DCHS academic programs which prepare students to become:

- Athletic Trainers
- Health Information Specialists
- Medical Imaging Specialists
- Medical Laboratory Scientists
- Occupational Therapists
- Physical Therapists
- Physician Assistants
- Radiation Therapists
- Registered Dietitians
- Speech-Language Pathologists

*many academic programs offer pre-med track options

SUMMER CAMP DETAILS
