FACULTY

All GCA high school teachers are Georgia certified in their subject areas, and 100% of our teachers are designated as highly qualified by the State of Georgia Board of Education. Each teacher is responsible for teaching and assessing students' work, maintaining close and frequent contact with both students and parents, and supplementing resources to enhance students' learning experience.

COURSE OFFERINGS

Georgia Cyber Academy offers a diverse curriculum designed to meet the individual needs of students who are seeking a challenging college preparatory experience. GCA's curriculum offerings prepare students for the challenges beyond high school. Course offerings are determined by State of Georgia and State Charter Schools Board of Education requirements, student selection, availability of staff, and cost effectiveness. GCA operates on a semester calendar and students earn 0.5 credits each semester.
