Coaching Notes:

*These positions would be authorized based on sufficient participation in the sport as determined by the AD and site Principal, with the concurrence of the Superintendent and approval of the Board.

**Cross Country add one assistant at 75 participants, add one more at 100 participants verified by AD roster.

***Wrestling - one additional assistant if over 50 participants verified by AD roster.

****Track - one assistant for every 20 students; capped at 5; verified by AD roster.

"As of the Tentative Agreement dated January 26, 2015, Longevity only applies if a coach does not change sports. If a coach moves from one sport to another, even a newly developed program, years of service toward longevity will begin again".

"Longevity will be considered for coaches moving from one level of competition to another (i.e. JV Football Coach moving to a Varsity Level, or Freshman Coach moving to JV Level, etc.). In such cases the coach will be placed on the lowest step of longevity that ensures an increase of compensation".
