- Creating an account is required for entry into Workforce Center job fairs or hiring events.
- This will allow us to provide you with a "scan card" for express entry into job fairs. It also helps the workforce center track the number of participants attending our events. Please remember to bring your scan card with you on job fair day!
- This is best completed on a desk/laptop computer at www.connectingcolorado.com.
- You must have your social security number to create this account. You can create this account at home with parental assistance if necessary.

How to Create an Account with The Pikes Peak Workforce Center www.connectingcolorado.com

1. Creating an account is required for entry into Workforce Center job fairs or hiring events.
2. This will allow us to provide you with a “scan card” for express entry into job fairs. It also helps the workforce center track the number of participants attending our events. Please remember to bring your scan card with you on job fair day!
