WE LOOK FORWARD TO CONTINUING TO SERVE OUR STUDENTS!

JOIN US FOR BREAKFAST AND LUNCH!

Welcome back to all our students! We can't wait to be back to fueling your minds and bodies for your school day!

LPS Nutrition Services strives to serve the same breakfast and lunch favorites students are familiar with, in a new and safer way! Schools will serve Grab and Go breakfast (no pre-order necessary) near the entrance of each school and students will eat in their classroom. Lunch will be prepared individually for each student based on a pre-order that should be placed in the SchoolCafe app or on the SchoolCafe website. Each school will send out specific information regarding where their students will eat lunch in their building.

Serving our Community

Did you know since March 23, 2020, our Nutrition Services Staff-with the support of many throughout the district-have served almost...

250,000 Meals

to children in our community via curbside pickup, delivery or in summer school! The USDA provided an allowance to serve all these meals at no cost. It was a much needed help to many families in need, parents working from home or for those kids that just missed school meals! **This USDA allowance ends August 31st, 2020. School meals will resume normal pricing the first day of school.**
