

Liberty High School

2023-2024

Academic Profile

School District/Community

Liberty School District is a rapidly growing suburban area of 50,000 residents. The city of Liberty and the northeastern area of Kansas City, Missouri are the primary localities. The district serves approximately 12,500 students from early childhood to 12th grade. Socio-economic status is primarily middle to upper-middle class.

School

Four-year public high school, Grades 9-12
Enrollment: 1852
Senior Class: 452
School Year: Two semesters
Accreditations: AdvancED Missouri Department of Elementary & Secondary Education

Curriculum

Comprehensive high school with over 200 courses emphasizing college preparation. Special focus is placed on AP and Honors courses as well as the Arts. The district is also a national model for an innovative engineering and biomedical sciences program entitled *Project Lead the Way*.
