

Welcome to a new school year!

Hello Friends! My name is Cara Lynch and this will be my 18th year in the Liberty School District. I am so excited to be your child's teacher! We will have a great year full of activities and experiences to promote academic, physical, and social development.

First I would like to tell you a bit about myself. I grew up in Liberty and I am a Liberty High School graduate. My husband and I have three daughters ages thirteen, ten and five! I am happy to be living and working in the same school district that influenced me so much.

The partnership you and I are about to embark on will be very rewarding for your child. I use the word 'partnership' to illustrate that we are a team. As a parent, you are your child's 1st (and most important) teacher. As their classroom teacher, my role is to provide educational and social experiences that will help them be successful as they continue on to kindergarten.

For both of us to best support your child, the key component will be communication. I want (need) to know as much about your child as possible and I will share my experiences with you as well. You can reach me by phone at 816-736-5324 or email at cara.lynch@Lps53.org.

I hope you and your child are looking forward to this school year as much as I am!

See you soon!

Ms. Cara
