Students, you are about to make some very big decisions that will have a lasting and positive impact on your future. To help you and your families make the best choice about where to attend and what courses to take, Tempe Union HS District wants to make you aware of two very important events that are coming up soon.

### **Tempe Union High School District Open House:**

School Open House Nights are held to help you and your families learn about the programs and opportunities that each of our schools offer to our students. The High Schools showcase what they have to offer and you get to see just what exciting opportunities are ahead for you. The preshow orientation presentation begins at 5:30 PM and principal welcome, meet & greet, & gallery walk begins at 6:30 PM.

### **Open House Dates:**

**Mountain Pointe High School - November 1, 2023**

Desert Vista High School - November 2, 2023

McClintock High School - November 6, 2023

Corona del Sol High School - November 8, 2023

Tempe High School - November 13, 2023

Marcos de Niza High School - November 14, 2023

### **Middle School Visits:**

High school guidance counselors and other representatives will meet with our incoming ninth grade students two times as part of the course selection process. Students, as an incoming ninth grader, you will soon be asked to select the courses you will take your freshman year. Since the courses you select will greatly influence your future educational endeavors, we urge you and your parents to give serious thought to the selection of appropriate courses. The classes you finally choose should reflect your ability and interests.

### **Student Orientation - October 31, 2023**

During Student Orientation, you will be given a course catalog describing all of the courses that are offered to students in Tempe Union. Please take the time as a family to review this catalog and the accompanying course selection materials. In addition to the information that these meetings will provide, the high school guidance counselors can discuss the complete curriculum and specific requirements regarding your high school program with you.

### **Pre-Registration - November 14, 2023**

High school counselors and the Assistant Principal for Academics will meet with each student at his/her middle school campus to pre-register students.

If you have questions, please contact the Assistant Principal for Academics at the high school you plan to attend.

Parents, please carefully review the information your child receives from the high school counselors to ensure that your child has everything he/she needs to pre-register. As you review the registration materials, please note that there are several forms which will require your signature. If your child must provide copies of any documents, please provide a copy. The CMS office staff will not be able to make copies of original documents.

## 24-25 MIDDLE SCHOOL ELECTIVE INTEREST SHEETS

Dear 6th & 7th Grade families,

This week your child received information about next year's course selection process on Wednesday, October 25 from their Science teacher. Students received an elective selection form for the 2024-2025 school year. Additional copies can be accessed online at <https://www.kyrene.org/curriculum>.

Parents/Guardians are requested to review this information with your child and sign the form, acknowledging your approval of the courses selected. **Students are required to return the form to their homeroom teacher prior to November 6.** During the week of November 6, our students are scheduled to use these forms to enter their preferences online with their classroom teacher. Families who are considering a different middle school must apply for registration at that school through the online portal when next year's registration window opens in January. While students may select a different middle school's course selection form, they are not guaranteed placement at that school. Families must apply and be approved for open enrollment to attend a non-resident school.

## SUPPORT CMS & GIVE YOUR TAX CREDIT TODAY

*Families, make a tax credit contribution today! Inspiring, educational field trips. Programs that teach good citizenship, manners, and work ethic. Experiences that demonstrate future career possibilities. You can be a champion for education through tax credit contributions. A tax credit contribution will allow you to reduce the amount of taxes you owe the State. Arizona statute allows individuals/couples to claim up to \$200/\$400 for a dollar-to-dollar tax credit. Take charge and have a say in how your tax dollars are put to work. By making a tax credit contribution to Kyrene Schools, you are telling the State of Arizona how you want your money spent. Visit [Kyrene Tax Credit](#) to begin the donation process. If you would like to apply tax credit to your 2021 taxes, the deadline to contribute is April 15, 2024.*
