24-25 MIDDLE SCHOOL ELECTIVE INTEREST SHEETS

This year there will be a change to the elective selection process for all middle school students. The timeline for the process of selecting elective courses for middle school will be moved to November, which we know is significantly earlier than in previous years. We have moved this process to be earlier in the year to provide our district with the necessary time to assess the staffing requirements for the upcoming school year.

The week of October 23, your child will bring home an elective interest form along with course descriptions for each course. Please review, complete, and sign the paper elective interest form and return to your child's homeroom teacher. The week of November 6, children will complete their online elective interest form with the support of school staff. Your assistance with the submission of your child's elective selection form will help us in this crucial planning process.

Oct. 25 - Narcan/Rise of Fentanyl

Description: Participants will learn about the rise in Fentanyl. Participants will also learn how to administer NARCAN to reverse an overdose.

Students, you are about to make some very big decisions that will have a lasting and positive impact on your future. To help you and your families make the best choice about where to attend and what courses to take, Tempe Union HS District wants to make you aware of two very important events that are coming up soon.

Tempe Union High School District Open House:

School Open House Nights are held to help you and your families learn about the programs and opportunities that each of our schools offer to our students. The High Schools showcase what they have to offer and you get to see just what exciting opportunities are ahead for you. The preshow orientation presentation begins at 5:30 PM and principal welcome, meet & greet, & gallery walk begins at 6:30 PM.

Open House Dates:

Mountain Pointe High School - November 1, 2023

Desert Vista High School - November 2, 2023

McClintock High School - November 6, 2023

Corona del Sol High School - November 8, 2023

Tempe High School - November 13, 2023

Marcos de Niza High School - November 14, 2023

Middle School Visits:

High school guidance counselors and other representatives will meet with our incoming ninth grade students two times as part of the course selection process. Students, as an incoming ninth grader, you will soon be asked to select the courses you will take your freshman year. Since the courses you select will greatly influence your future educational endeavors, we urge you and your parents to give serious thought to the selection of appropriate courses. The classes you finally choose should reflect your ability and interests.

Student Orientation - October 31, 2023

During Student Orientation, you will be given a course catalog describing all of the courses that are offered to students in Tempe Union. Please take the time as a family to review this catalog and the accompanying course selection materials. In addition to the information that these meetings will provide, the high school guidance counselors can discuss the complete curriculum and specific requirements regarding your high school program with you.

Pre-Registration - November 14, 2023

High school counselors and the Assistant Principal for Academics will meet with each student at his/her middle school campus to pre-register students.

If you have questions, please contact the Assistant Principal for Academics at the high school you plan to attend.

Parents, please carefully review the information your child receives from the high school counselors to ensure that your child has everything he/she needs to pre-register. As you review the registration materials, please note that there are several forms which will require your signature. If your child must provide copies of any documents, please provide a copy. The CMS office staff will not be able to make copies of original documents.
