ADDENDUM #1

BID NUMBER: ITB 007-024, TITLE: DISH MACHINE REPLACEMENT AT HERITAGE MIDDLE SCHOOL

January 25, 2024

RE: Addendum #1

This Addendum #1 has been issued to address clarification of install timeline for this project and to issue a revised Bid Response Form.

New flooring will be installed in the school kitchen over the summer break. Expected completion of new flooring is mid-July and installation of the new dish machine will be following that flooring install. An estimated time frame for installation of the new dish machine is late July and must be completed by August 9, 2024, in preparation for the return of Nutrition staff. We will be in contact with the awarded vendor to determine an exact install date as work progresses over the summer months.

Please find a revised Bid Response Form attached. There is now a spot for vendors to include the make and model of the specific Booster Heater that is being bid.

If you have any questions regarding this Addendum #1, or future Addendums, please reach out to me at rachel.naumann@lps53.org or 816-736-5293.

Thank you,

Rachel Naumann
