

# Summer Youth Camps coming to Ledgeview

## CAMP OFFERINGS

### Registration open now!

All Camps held at the Ledgeview Community Center, 3700 Dickinson Rd.

### {YEL!} Robotics: Scout 'Bots

**For students entering 1st-5th Grades**

Build and code space rovers to scout out Mars, the moon, and other extraterrestrial environments. Also, create a dragster and volcano alarm to learn basic computer programming while having fun! Let's go!

**Dates: Mon. thru Thurs. 6/17-6/20 from 9am - noon**

**Sign-up Today**

### {YEL!} Coding Animation & Video Games

**For students entering 3rd-6th Grades**

STEM Video Game Enrichment for the 21st Century learner. Each {YEL!} Coding class follows three basic components: •Teach It!...Students learn different video game and storytelling design techniques (movement blocks, control blocks, basic animation, adding scores, etc.) •Code It!... Students use Scratch® to code their own story and video games. •Explore It!...Students can write their own story and video game code, experiment with it and test new options. Our collaborative learning environment encourages students to learn from each other. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}.

Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices.

**Dates: Mon. thru Thurs. 6/24-6/27 from 9am - noon**

### {YEL!} Coding Kiddos Summer Camp

**For students entering 1st-3rd Grades**

Designed for 21st Century learners in grades k-2. Each {YEL!} Coding class introduces kiddos to new coding, animation, and video game design concepts like movement blocks, animation, dialogue, timing, and more. {YEL!} Coding Coaches use Scratch® Junior to guide kiddos through our lessons and create their own animated stories and video games. If your kiddo loves to code or wants to learn, sign up for Coding Kiddos today to THINK, LEARN and PLAY WELL with {YEL!}.

Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices. Your child will receive a Scratch user name and password so they can access their projects from any computer at anytime. Scratch® is not affiliated with {YEL!} nor does it endorse this program.

**Dates: Mon. thru Thurs. 6/24-6/27 from 1pm - 4pm**

### {YEL!} Project Runway

**For students entering 4th-8th Grades**

Sweet summer projects! A tres-chic skirt, tie-top blouse, headband and more. No experience necessary. Students will make, showcase, and take home all their projects. Hand and machine sewing techniques are taught with SAFETY FIRST always in mind. The final day is a showcase where friends and family are invited to see the projects in action. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}.

**Dates: Mon. thru Thurs. 7/8-7/11 from 9am - noon**

### {YEL!} Chess Summer Camp

**For students entering 1st-5th Grades**

All levels welcome. The {YEL!} Teach It!...Practice It!...Play It! method keeps chess students progressing with 60+ chess lessons and thousands of puzzles as well as guided games and an end-of-week in-class tournament. Class fee includes ChessKid.com membership for the session. Battle summer brain drain...sign up today. Visit YELKids.com for more info.

**Dates: Mon. thru Thurs. 8/12-8/15 from 9am - noon**
