Welcome to the 2019-2020 Yearbook!

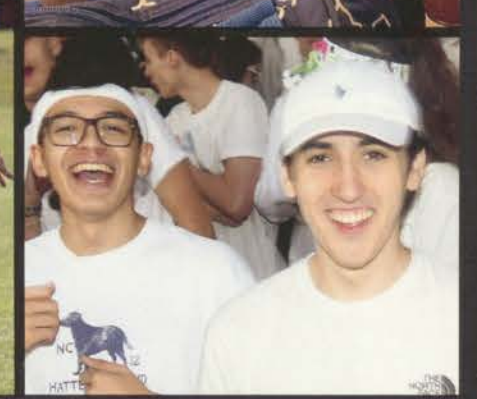

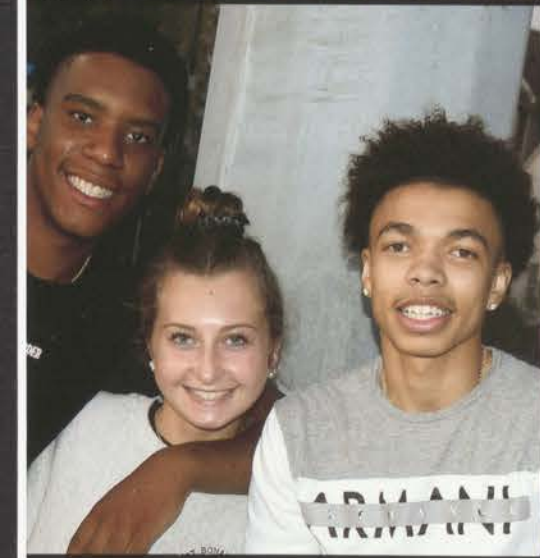

2019-2020 has truly been the year of visions. We have looked upon things that are important to us: friends, family, faith, academics, and passions. Our vision is now focused on the future as we continue to grow. Thank you to all the staff that worked so hard putting the yearbook together, and to everyone who submitted pictures and made 2019-2020 a great year full of memories that we will look back on for years to come.

"We are proud that, thanks to our parents and many donors, we are finally fulfilling our promises to our students. Our expanded campus will allow us to provide more comprehensive programs in the fine arts. Our new athletic stadium and fields will serve our students for generations. Mrs. Fay's leadership has been exceptional in making our dreams become reality." -Dr. Powell

Letters From Our Leaders

Dr. Powell, President: To the Class of 2020, In so many ways, the Class of 2020 has left its mark on SJCP. Besides being one of the largest classes in our history, this class will be known for exceptional students who have helped to lead our school to the future. The student leaders in the Class of 2020 have initiated a number of new school traditions. In 1829, when Fr. John McElroy founded our school, he did so with a *vision*. He knew that we would need well-educated, morally sound leaders who would build our country. Your work today, and in the future, begins with a *vision*. A vision for the type of person you want to be. A vision of what you want your communities to be. A vision for a just and peaceful world, where the least among us are protected, empowered, and ennobled. I hope that every day you strive to achieve that vision. As a school community, we dedicate ourselves to **Faith**. Keep your faith. Deepen your love of God. We dedicate ourselves to **Leadership**. Do not be afraid to lead- others will look to you. We dedicate ourselves to **Scholarship**. Continue to discover our wonderful world and the mysteries of life. We dedicate ourselves to **Honor**. Honor is how we behave when life is challenging. Your honor will be an example to others. We dedicate ourselves to **Service**. Sacrifice a part of your life for others; this is life's highest calling. And remember... keep the *vision* alive. May God continue to bless you and your families.

P.S. When you graduate, I hope you will call me Tom.

Mr. Knotek, Principal: Congratulations on this major milestone – graduation from high school! As you move onto the next stage of your life, be sure to rely on the foundation that SJCP has given you to reach new heights and fulfill your vision for the future. Stay focused (20/20 focused) on what's important, and don't sacrifice long term goals and dreams for short term pleasure and joy. Best of luck – the future looks bright.

Mrs. Seaman, Assistant Principal of Academic Affairs: The Class of 2020 holds a special place in my heart. You were my first class at Saint John's Catholic Prep. For the past three years, I have watched you grow and mature. Your focused vision has readied you to embrace the future. As you leave Saint John's Catholic Prep and continue on your life's journey, remember to be bold in your endeavors, to challenge yourself intellectually, to drink in the world, to nurture your spirit, to inspire others with your honorable deeds, and to empower yourself to reach your potential as citizens of our diverse world. The future is truly in your hands. Make the most of it. I will be cheering you on every step of the way. Once a Viking, always a Viking.

Mr. Hayes, Assistant Principal of Student Affairs: It has been an honor to serve at this school. I have been blessed with the opportunity to wear many hats: Assistant Principal, Assistant Director of Athletics, Head Football Coach, Head Wrestling Coach, Head Track Coach, teacher, club moderator, and parent. Having different roles allows one to have many perspectives. In each role, I see SJCP growing. I see it growing in numbers, but also as a community. We truly care about our students and their success. I am proud to be here.

Thank You
