

**ANNUAL ASBESTOS NOTIFICATION
ALLEN PARK PUBLIC SCHOOLS**

2021 – 2022 SCHOOL YEAR

In accordance with Section 763.84 of the Asbestos Hazard Emergency Response Act (AHERA), or the “Asbestos in Schools Rule,” Allen Park Public Schools is notifying employees and building occupants, or their legal guardians, of activities conducted within the past school year involving the asbestos inspections, response actions, and post-response action activities, including re-inspection and periodic surveillance activities, that are planned or in progress at School District facilities.

During the upcoming (2021 – 2022) school year, Allen Park Public Schools has planned the following activities related to asbestos-containing materials throughout the school district:

Six Month Periodic Surveillances: Six month periodic surveillances will be completed every six months and continue on a regular six month schedule. The next scheduled rounds will occur in August 2021 and February 2022.

Asbestos Abatement Projects - Scheduled: As of the beginning of the school year, No asbestos abatement projects have been scheduled. If necessary, to support building operations or renovations, asbestos abatement projects will be completed in accordance with all state and federal regulations by trained and accredited personnel

During the previous (2020- 2021) school year, Allen Park Public Schools completed the following activities related to asbestos-containing materials throughout the school district:

Six Month Periodic Surveillances: Six month periodic surveillance activities were completed in August 2020 and February 2021.

Three Year Re-inspections: The EPA requires that each school district re-inspect all known and assumed asbestos-containing materials once every three years. The three year re-inspection activities for all Allen Park Public Schools facilities were last completed in August 2019. The next three year re-inspections will occur in the August 2022.

Asbestos Abatement Projects - Completed: no asbestos abatement projects were conducted at any Allen Park Public School Facilities during the 2020 - 2021 school year.

AHERA Management Plans are available for review in each school building office or at the Maintenance Building (17411 Champaign, Allen Park, Michigan 48101). Summaries for all of the asbestos abatement projects conducted prior to the 2021 - 2022 school year are located at each building in their AHERA Management Plan, while complete documentation is maintained in the Maintenance Building.
