

SUFFIELD HIGH SCHOOL NEWSLETTER FEBRUARY 2024

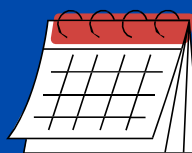

Hello SHS Families and Students,

Believe it or not, we're already into the 2nd semester of the school year and February marks another busy month for students as they prepare for some of Suffield High School's greatest traditions, the Spring Musical, the Volleyball Marathon and Spirit Games. Also, throughout the halls we're celebrating Black History Month in various ways. Meanwhile, our school counselors are meeting with students and families to select courses for next year.

Recently, our administration held class meetings to reset expectations to end the year successfully. Students are encouraged to read their emails from class officers and school administration to ensure they meet deadlines and have important information about getting involved in school activities.

Please read the information included in this newsletter and do not hesitate to reach out if you have any questions.

SCHOOL COUNSELING DEPARTMENT UPDATE

The SHS School Counseling Department has been implementing many events over the course of the last couple months to support students on their post-secondary planning journey.

- ♦ On November 30 we hosted our Virtual College/Future Planning Night. This event provided students and families with important information for the process and next steps for postsecondary planning.
- ♦ In December SHS School Counselors followed up College and Future Planning Night with visits to Junior Advisories. In preparing for the advisory lessons, Juniors were sent the College/Future Planning presentation and asked through a survey to provide questions in advance. SHS School Counselors worked with a team of SHS seniors to join them in the lessons, using the survey questions to guide the conversations and share process, next steps and senior experiences.
- ♦ School Counselors are currently meeting with all students/families for Course Selection for the 2024-2025 school year. Course Selection meetings will end on February 9th.
- ♦ February 15th at 6:00 p.m. Suffield High School is pleased to invite Suffield High School parents, guardians and students to a Virtual College Admissions Panel program.
 - *See below for more information regarding The Virtual College Admissions Evening program
- ♦ Beginning the week of February 12th, School Counselors will reach out to meet individually with every Junior and their parent/guardian to assist in future planning for after High School. We invite you to come in together for an individualized Junior Planning appointment sometime in the next few months.
- ♦ To Schedule your Junior Planning Meeting with a School Counselor please reach out to Mrs. Harfouche at harfouche@suffield.org or email your students' school counselor directly.

Please click on the link below to access the College and Future Planning presentation in advance of our meeting so we can follow up and answer any questions you have when we meet.

Class of 2024 Students, Parents, and Guardians:

June 8th is only 18 weeks away. As the Class of 2024 embarks on their last semester of high school, many exciting events will be taking place. Below is a list of the many activities that will be taking place and opportunities for you to help make the next 18 weeks an amazing experience for the graduates..

As always, if you have questions, please reach out to the class advisors, Mrs. Tierney or Mr. Wheeler (jtierney@suffield.org and swheeler@suffield.org).

Dues:

Senior dues are \$50.00. Class dues cover the cost of Senior Outing, Yearbook, Caps and Gowns, Yearbook Picnic Lunch, Rehearsal Pizza, and they help reduce the cost of Prom and Senior Banquet tickets. You may submit your dues online via the Square Link or bring cash/check (payable to "Suffield High School") to Mr. Wheeler in room 715. All dues must be paid in order to participate in senior activities and graduation. Please check PowerSchool for any past due balances.

Upcoming Events:

Spirit Games - 3/1/24: The Class of 2024 would like to pay homage to the infamous Kindergarten Circus during this year's spirit games. (Please note the date change).

Participants will reenact the event at a school wide pep rally. If you have any video footage or photos of the kindergarten circus, please share them here. Additionally, we are in need of some props for the event - small bicycles, clown costumes, and black leather jackets. If you have any of these items that you can loan the Class of 2024, please contact Mr. Wheeler or Mrs. Tierney to arrange for a drop off.

Trivia Night - 4/5/24: The Class of 2024 will be hosting its 2nd Trivia Night Fundraiser at SHS. This is the final fundraiser for the Class of 2024 - generating funds through ticket sales and a raffle.

SENIOR SCOOP - FEBRUARY EDITION CONTINUED

We had a great turnout last year and are hoping to have a fun night once again this year. If we can count on you to donate an item (or cash to purchase an item) to our raffle, please complete the Google Form to let us know - Trivia Night Donations!

Prom - 5/10/24: Riverview, Simsbury, CT. 6 - 11 p.m. Ticket sales will begin in late March. Please note that students can not purchase prom tickets unless all dues are paid.

Senior Outing - 5/31/24: Suffield High School, Outdoor Field Spaces 9:00-2:00 Seniors will enjoy a fun-filled field day at our outdoor field spaces with inflatables, a mobile game truck, and lots of food. Enjoy a casual evening together to celebrate with hor'dourves, a buffet style dinner and dessert. Also enjoy a Senior Slideshow commemorating the Class of 2024's school experience in Suffield. Photos have been slow to trickle in, so we are looking for photos of the members of the Class of 2024 and will accept them through May 15, 2024, but the earlier you can share them with us, the better.

Please submit photos: Senior Slideshow Photo Submission

AGRISCIENCE

On January 23rd, the Agriscience class of 2027 were presented their FFA jackets. Mary Turner, a senior and FFA Officer shared the following words to help students understand their FFA Jacket experience that awaits.

"The FFA jacket is more than just a piece of clothing. It's a symbol of pride, hard work, and the incredible experiences that come with being a part of the FFA. Through FFA, we learn the value of hard work, responsibility, and teamwork. We develop leadership skills and discover our passions. We gain confidence, learn to overcome challenges, and build a strong work ethic. These experiences become a part of who we are, and they stay with us no matter where life takes us. Even if we physically outgrow the FFA jacket, the impact it has on our lives is everlasting. It's a reminder of the growth we've experienced, the goals we've achieved, and the impact we've made in our communities. It's a connection to a network of individuals who share the same passion for agriculture and making a difference. So, while the FFA jacket may not fit forever, the experiences and memories we gain through FFA will always be a part of us". **Mary Turner Class of 2024**

Suffield Regional Agriscience held their Capstone Night on January 25th. Thirty eight seniors reflected on their four year growth through their engagement in the agriscience program.

Capstone night is a time to celebrate the families, friends and the community that have been part of their four year experience at Suffield High school.

Agriscience Families, Friends and the Suffield Community are welcome to attend the Greenhand/Chapter Degree ceremony on February 15th in the High school auditorium. The program will start promptly at 6:30pm. Students earning their degrees are expected to attend in full official dress. Students may borrow a jacket if needed. Recipients will share goals and summaries of their experience required to earn their degree. Light refreshments will be served following the one hour ceremony.

SAVE THE DATE !

The Bingo AGstravaganza is March 14th, 6:00pm - 8:30pm in the Suffield High School cafeteria. Please email Dr. LaFlamme if you are interested in helping out at this event or have an item for raffle or prize.

SHS junior, Keila Silva is a national semi-finalist in ecoAmerica's [American Climate Leadership Award for High School Students!](#)

She's already won a \$5,000 dollar award, and is now competing for the \$10,000 prize.

This is a major honor for Keila and reflects on her hard work at SHS, especially with the Suffield Sustainability Council and the Walk to the Hart.

A STUDENT ABOVE

The Suffield Athletic Department has partnered Jersey Mike's on a new program called "A Student Above". Each week, coaches can nominate a player who has gone well above the CIAC Class Act Standards during a game and/or practice from the previous week. Suffield High School's Sportsmanship Committee reviews each nomination and votes on 1 winner.

CIAC Class Act Standards are:

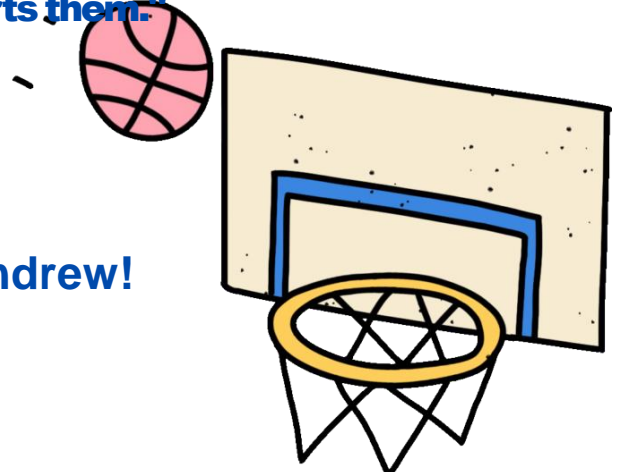

1. Accept the responsibility and privilege the student-athlete has in representing their school and community by learning and showing teamwork, sportsmanship and discipline in all aspects of the game.
2. Conduct themselves responsibly during adverse or emotional situations.
3. Demonstrate respect for self, coach, teammates, opponents, officials and spectators by exhibiting good character and conducting themselves as a positive role model.
4. Win and lose graciously.
5. Cheer for your team, not against your opponent.
6. Congratulate opponents in a sincere manner following either victory or defeat.
7. Refrain from taunting opponents.

This week's Jersey Mike's "A Student Above" winner is SHS Boys Basketball player Andrew Bombard. Andrew's nomination reads "Andrew has gone above and beyond in sportsmanship, teamwork and kindness. Andrew goes out of his way to look out for his teammates and include them in team activities, especially new students. He will give rides to and from practice to teammates who do not have them. Regardless of the amount of playing time he receives, he enthusiastically cheers on his teammates and supports them."

Congratulations Andrew!
