

Summer at Sumner 2024

\$200.00

Outdoor SCIENCE CAMP

JUNE 3 - 7 FROM 8:30 - 11:30

A FUN WEEK OF OUTDOOR SCIENCE ADVENTURES AND EXPLORATION!

For 2nd - 8th graders

Students should dress appropriately for being outside for most of this camp. Close-toed shoes, hats/sunglasses, sunscreen, and proper attire are important!

Monarch Manor and Surrounding Areas

Come explore our beautiful campus as we learn, listen, and identify the local wildlife populations that call Sumner Academy home. From birds to butterflies to amphibians and anything else we may find, students will tap into their inner naturalists each day!

Outdoor Activities

We will do fun outdoor activities, including learning how to build an outdoor shelter, how to mark trails, and how to navigate using natural clues and signs. No summer camp is complete without a day in the creek.

Register here!

All ages are as of the 2024 - 2025 school year.
