If you're 18 or older and eager to improve your English skills, our Adult Education Program is designed just for you. Specifically tailored for those with limited English speaking and writing abilities, this 6-week course meets once a week.

Each week, we'll focus on a different area to help you grow in your English language development. Topics include greetings, finances, ordering food, and employment conversations. Our supportive environment is geared toward developing both speaking and basic writing skills.

Don't worry about materials – everything you need will be provided, and the best part? The course is absolutely free. Seize this opportunity to boost your language confidence. Register now and embark on a fulfilling 6-week learning journey!

Participants can sign up via the google registration form when visiting our Adult & Community Education webpage at the following link: www.irsd.net/community/adult-community-education/
