## Superintendent Responds to False Social Media Narrative

**FOR IMMEDIATE RELEASE**

Michael Jake Carter  
Director of Community Engagement  
CRUHSD

Bullhead City, AZ – “An uninformed confederacy on social media has incorrectly suggested that students who attend a charter school are not welcome on our district property. This is totally false. We welcome students from public, private, homeschool, and charter schools to participate in a variety of competitions and events on all of our district properties, and will continue to do so.

What has changed is that the days of businesses and other organizations taking advantage of our school district by not honoring their contractual commitments or paying their bills on time, have come to an end.

For decades, the state of Arizona has encouraged competition between Homeschooling, Private, Charter, and Public schools. We welcome this competition. In that spirit of competition CRUHSD will not be helping high school level private or charter schools in their mission to take away our enrollment. They have their facilities and resources, and we have ours. Good luck!” -Dr. Tim Richard
