IDAHO DIAPER BANK FUNDRAISER

The Parma Family & Community Resource Center has partnered with several organizations in hopes to help our students and families in the community with basic essential needs. One of these partners is the Idaho Diaper Bank. (<http://www.idahodiaperbank.org>)

It has come to our attention that we have families who are having a difficult time affording diapers for their children. Through this non-profit organization we are able to place orders for families in our community once a month. They provide diapers, wipes, pull-ups, and many more important essential items for children.

To continue partnering with them, we are asked to do a \$1200 fundraiser each year in support of the Idaho Diaper Bank. If you are interested in supporting us in this endeavor, please let us know by contacting the Resource Center Coordinator. The contact information is below. Donations will be accepted through the Parma School District office at the address above. We will be putting our sponsor/donator business names on our Family & Community Resource center webpage, unless otherwise noted.

We appreciate all that each of you provide for our community. We are grateful for each and every one of our contributors and wouldn't be where we are without that most generous support. Our supporters are the reason we are able to make any difference at all.

We can not thank you enough! Your generosity will make a huge difference in the lives of so many.
