HOW BLUE'S PROGRAM WORKS

- Blue's Group Sales Team will set up your school's online portal. Your group leader will notify you when your portal is ready.
- Once your portal is set up, you may register yourself then add your children in our system. Once this is complete you will select your products and make payment. The group portal will close for registration on October 31st, 2023.
- Your group leader is your primary contact for questions on the program and products.
- Season passes should not be shared with anyone for any reason.
- Our property is cashless so we encourage you to "load" our Carver Cash gift cards in the portal for your children to make purchasing food on the property simple.
- If you run into any challenges our chat center associates are ready to assist you through the process. They can be contacted on our website at www.skibluemt.com

SKI PATROL & REFUND POLICY

THERE ARE 3 SKI PATROL LOCATIONS ON THE MOUNTAIN:

- Inside the lower level of the Summit Lodge
- At the top of the Main Street Express Chairlift
- At the bottom of the Main Street Express
Chairlift

We only issue pro-rated credits for group members that have been injured during the course of the program. Credits will be issued in the form of stored value or a Blue Mountain gift card. A doctor's note must be submitted.

KNOW THE CODE

“Your Responsibility Code” is a set of safety guidelines for skiers/boarders, endorsed by the National Ski Areas Association, which all skiers and riders are expected to adhere to while at Blue Mountain.

- Always stay in control. You must be able to stop or avoid people or objects.
- People ahead or downhill of you have the right-of-way. You must avoid them.
- Stop only where you are visible from above and do not restrict traffic.
- Look uphill and avoid others before starting downhill or entering a trail.
- You must prevent runaway equipment.
- Read and obey all signs, warnings, and hazard markings.
- Keep off closed trails and out of closed areas.
- You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
- Do not use lifts or terrain when impaired by alcohol or drugs.
- If you are involved in a collision or incident, share your contact information with each other and a ski area employee.

Discuss with your children the importance of knowing and understanding the Responsibility Code.

WE CAN'T WAIT TO SEE
YOU ON THE MOUNTAIN!
