Hi Stacie and Lindsey,

This is for our 4th-6th grade Amplify subscriptions for next year. I have cross checked the numbers with our projections and they look good. The K-3 Amplify subscription will be different and go through Nikki because of the ELAT grant. There are three steps to complete this renewal. The first two are taken care of because numbers were verified.... so I hand the third and ever so important payment step over to you :)

To move forward with your renewal, please follow these simple steps:

- Review the table above to confirm your subscription quantities.
- If your subscription quantities are changing, reply to this email for a revised price quote.
- Send your payment completed (purchase order or [credit card authorization form](#)), your tax exemption certificate, and a copy of this email:

\* Via fax to (646) 403-4700 for purchase orders

\* Via email to [incomingpo@amplify.com](mailto:incomingpo@amplify.com) for purchase orders

\* Via fax to (347) 662-2402 for credit card purchases

**Need training?** We have in-person and remote professional development [options](#) to train new and/or returning teachers and instructional leaders. Please call me immediately to reserve your Professional Development dates and receive a price quote on our available options.

As you begin planning for next year, I would like to reacquaint you with Amplify's curriculum products and other assessment tools. Please let me know if you would like to discuss expanding your existing subscription or professional development options, or learn more about other Amplify programs.
