SCHOOL	REPORT PROGRESS ON WELLNESS PLAN
Beacon Heights Elementary School	All aspects went very well.
Bonneville Elementary School	Bonneville was able to adapt and comply with all wellness plans in the difficult 2020-21 school year.
Dilworth Elementary School	Dilworth was successful in achieving our Wellness Plan for the 2017-18 school year.
Edison Elementary School	Will continued to implement the District Wellness policy. We taught the importance of healthy eating and exercise. We partnered with Ballet West for our fifth grade students and the American Heart Association for our Jump Rope for Heart event. Because of the pandemic, our final performance with Ballet West and Jump Rope for Heart event was cancelled.
Emerson Elementary School	Navigating the COVID-19 pandemic had an impact on implementation of some of the 2020-2021 wellness plan components. Emerson continued to maintain our community garden and students accessed the outdoor classroom for some academic activities. Unfortunately, we were not able to continue our garden tasting parties. However, students were still able to help maintain and harvest produce from the garden. Emerson was not able to hire a physical education teacher due to a lack of qualified applicants. Classroom teachers provided physical education activities for their students. The Playworks reboot was pushed to the 2021-2022 school year. Emerson continued to emphasize a focus on mindfulness and emotional regulation for students. In addition, we implemented daily community circles in each classroom as a means to create a community of support and a means to check-in with each student and assess and support the physical and mental health of each child.
Ensign Elementary School	
Escalante Elementary School	We were able to abide by the guidelines for 2020-2021 and met the goals for this year.
Franklin Elementary School	
Hawthorne Elementary School	
Highland Park Elementary School	Our Wellness Committee chairperson created "Eat the Rainbow" posters with healthy food choices indicating how these foods help the body. These were placed around the school. The school counselor provided lessons in classrooms about being healthy physically and emotionally. The PE and dance teachers provided activities to promote strong and healthy bodies. We have the district provided menu board with facts about nutrition and fitness displayed in the front office. The cafeteria supervision encourages students to eat. Kindergarten and 1st grade students cannot go out to recess prior to the 20 minutes.
Indian Hills Elementary School	Free lunches in bags went well and safely school-wide
Liberty Elementary School	Due to remote learning for most of the year due to the Covid pandemic, and return to in-person for 3 months, we did not allow any food of any kind outside of breakfast and lunch. School schedule is set for students to have a structured lunch/recess and PE time.
M. Lynn Bennion Elementary School	When students returned in the fall to in person learning, the cafeteria was not staffed sufficiently to ensure that students were able to get their meals on time to give them adequate time to eat. Due to the pandemic, modifications have been made to routines and procedures in the cafeteria to ensure the safety of students.
Mary W. Jackson Elementary School	
Meadowlark Elementary School	1) We were able to implement 120 minutes of PE and structured activities per week for the majority of the year. 2) Team fitness opportunities were only offered after school. Individual fitness opportunities were offered at recess. Individual fitness opportunities were offered on Fridays through the Running Forward program.3) Small breaks for exercise and/or movement during class was used in all classrooms at least once per day. 4) Students were given adequate time to eat breakfast and lunch. 5) Second steps and a bully prevention program was implemented school wide for student mental and physical wellness.
Mountain View Elementary School	Each school day, students and teachers will participate in two brain breaks, one of which will be a mindfulness break and one which will be a physical activity. - Yes these mindfulness breaks and physical activity breaks were completed last year.
Newman Elementary School	Newman made efforts and progress in meeting the USDA Smart Snacks nutrition standards.
Nibley Park School	1. The Fresh Fruits Program continued after their return to school and was served during lunch. 2. We collaborated with the Mobile Food Pantry and distributed bags of food once a month. 3. Physical Education was provided both virtually and in person. 4. Recess/Breaks were provided for students both virtually and in person. 5. Our counselor and social worker worked with students, as needed, to address social emotional needs during remote learning as well as in person.
North Star Elementary School	
Open Classroom	We were successful in meeting our wellness plans in 2020-2021. If snacks are offered they must be healthy, sugar free, preferably fresh fruits and veggies. Food is not offered as a reward. Chocolate milk is not offered with school lunch. Kids are trained using the myplate.gov model to fill their trays with a variety of nutritious food. All classes participate in PE, and a majority of classes have a daily structured physical/ movement time.
Parkview Elementary School	We were able to implement recess before lunch for all grade levels this school year.
Riley Elementary School	We were in compliance for the 2020-2021 school year.
Rose Park Elementary School	

SCHOOL	REPORT PROGRESS ON WELLNESS PLAN
Uintah Elementary School	Our focus was on keeping kids and adults safe from COVID by following the district COVID protocols. We did the best we could at following the COVID protocols, which led to very few cases.
Wasatch Elementary School	
Washington Elementary School	We followed the expectations for last year's district wellness plan and believe that it was very successful.
Whittier Elementary School	Whittier Elementary has been actively involved in becoming familiar with and following SLCSG G-3 Administrative Wellness Procedures.
Clayton Middle School	
Glendale Middle School	
Hillside Middle School	We followed the Wellness Plan as outlined by our district.
Northwest Middle School	
SLCSE - Bryant	
East High School	We abide by the regulations articulated in the SLCSG District Wellness Policy.
Highland High School	At the beginning of the school year, policy G-3 was included in our back-to-school policy review with faculty and staff. We continue to monitor food that is available during the school day. Vending and school lunch are compliant and we do not approve fundraisers that would make non-compliant food available to students during the school day.
Horizonte Instruction and Training Center	Plan achieved
Innovations Early College High School	
Salt Lake Center for Science Education	
West High School	District policies and guidelines were adhered to.

SCHOOL	WELLNESS GOAL FOR NEXT YEAR
Beacon Heights Elementary School	All aspects are going very well.
Bonneville Elementary School	Bonneville has or will ensure that our wellness plan is implemented during the 2021-22 school year. The plan will adhere to all state and district policy.
Dilworth Elementary School	Dilworth will continue to offer PE to every student for a minimum of 35 minutes per week. We will have a healthy student challenge and promote eating more fruits and vegetables as snacks.
Edison Elementary School	We will continue to implement the District Wellness policy. We will also continue to teach about the importance of healthy eating and exercise. Our partnership will continue with Ballet West for our fifth grade students and the American Heart Association for our Jump Rope for Heart event.
Emerson Elementary School	Students at Emerson are encouraged to make healthy food and lifestyle choices. The outdoor classroom in the Emerson Community Garden will be used to teach sustainable garden practices to students. The garden educator collaborates with teachers to create and provide activities in the garden that are aligned with state science SEED standards. Emerson students learn how to cultivate a garden through planting, maintaining, and harvesting produce. They have an opportunity to taste produce harvested from the garden and learn how to include fruits and vegetables in their healthy eating plan. Emerson will provide rigorous physical education classes by a teacher who is a district certified physical education teacher. We will implement Playworks structures to provide recess activities that provide a structured, active, inclusive, and emotionally safe recess experience for students. In partnership with our PTA, Emerson students will participate in a health and wellness month where students participate in a variety of healthy activities and complete an individual log that documents their efforts. Emerson teachers will provide daily mindfulness and community classroom meetings that promote community building and emotional regulation and contribute to students being more engaged and ready to learn each day.
Ensign Elementary School	
Escalante Elementary School	We will follow and abide with the mandates stated above.
Franklin Elementary School	
Hawthorne Elementary School	We will ensure that all staff and teachers understand the physical education and nutrition expectations and policies for SLCS and Utah.
Highland Park Elementary School	Highland Park will promote wellness by: • Teaching the grade level core for health. • Install a digital clock in the cafeteria with a poster that has the times to begin cleaning up and when students can go outside. • Reinforce the expectation that all students stay in the cafeteria for the required 20 minutes. • Encourage parent volunteers to help in the cafeteria to encourage students to eat. • Counselor support in regards to healthy lifestyle choices through classroom lessons. • Provide assemblies with role models from the community to talk about healthy choices. • Create a Wellness Parent Committee to contribute to the school newsletter once per month which will include a challenge for students, parents, and staff.
Indian Hills Elementary School	See above
Liberty Elementary School	No food outside lunch and breakfast except for a Halloween party, Winter party, and Valentine party are allowed. School schedule is set for students to have a structured lunch/recess and PE time.
M. Lynn Bennion Elementary School	We will continue implementing our cafeteria protocol to ensure we are putting students safety first while complying with the district's wellness policy. We will adhere to the policy as much as possible making modifications as necessary to ensure the health and safety of our students and staff.
Mary W. Jackson Elementary School	
Meadowlark Elementary School	1) Recruit, train, and retain one PE paraprofessional for the entire school year. 2) Increase after school team participation by having 4-6 school teams for each sport and have them compete against each other. 3) Expand Garden Club to include more families and promote the healthy recipes online or in school newsletter.
Mountain View Elementary School	There will be monthly wellness challenges will be conducted in the school- based off of a monthly goal. The monthly challenge will be presented in the healthy livings rotation class.
Newman Elementary School	Newman will commit to encouraging physical education activities in other content areas and in the broader community.
Nibley Park School	The Fresh Fruits Program will continue to provide fruits and vegetables to students weekly. 2. We will continue to collaborate with the Mobile Food Pantry and distribute bags of food once a month. 3. Physical Education will be scheduled for each grade level. 4. Recess/Breaks will be provided for students daily. 5. Our counselor and social worker will support students, as needed, to address social emotional needed.
North Star Elementary School	
Open Classroom	If snacks are offered they must be healthy, sugar free, preferably fresh fruits and veggies. Whole class treats or snacks from parents, must be pre-packaged and must be offered after, not before lunch. Food is not offered as a reward. Students are trained using the myplate.gov model to fill their trays with a variety of nutritious food. All classes participate in PE, and a majority of classes have a daily structured physical/ movement time.
Parkview Elementary School	We are going to implement an afterschool activity twice a week for students with parent permission in the spring to encourage healthy habits.
Riley Elementary School	We will be in compliance for the 2021-2022 school year.
Rose Park Elementary School	

SCHOOL	WELLNESS GOAL FOR NEXT YEAR
Uintah Elementary School	This year we are continuing to focus on following the district protocols to keep kids and adults safe from COVID.
Wasatch Elementary School	
Washington Elementary School	Washington partners with the FFVP, Running Forward, Tanner Dance, and Ballet West to provide our students with healthy snacks and opportunities for organized physical activity both during and after the school day.
Whittier Elementary School	Whittier Elementary Schools' wellness plan focuses on maintaining high standards of nutrition and physical activity among students that align with SLCS D's G-3 Administrative Wellness Procedures. We are committed to provide a learning environment that supports developing and practicing positive health behaviors that contribute to students' wellness, academic performance and lifelong health.
Clayton Middle School	
Glendale Middle School	Students will be encouraged daily to eat a healthy breakfast and lunch by lunch monitors. Three after school sports will be added to the lists:dance, track, and rock climbing.
Hillside Middle School	We will follow the Wellness Plan as outlined and evaluate progress often during the school year.
Northwest Middle School	
SLCSE - Bryant	
East High School	East High will continue to abide by all the regulations articulated in the District Wellness Policy and work to ensure that our students are served healthy food in a timely manner. We also provide a food pantry that is open and available to all students each day. It is possible for students to take food home for their family's use. While our Faculty/Staff fitness and exercise room was re-purposed to a classroom, we continue to promote health and well being, using the monthly district wellness email reminders.
Highland High School	For next year, we will provide a detailed review of the Administrative Procedures for Policy G-3 with all faculty and staff members. We will continue to monitor our vending machines for compliance and we will not approve fund raisers that would make non-compliant food available to students during school hours.
Horizonte Instruction and Training Center	We will provide an active food Bank daily through the year.
Innovations Early College High School	
Salt Lake Center for Science Education	
West High School	Emergency & Security plans and training will be implemented and practiced in order to ensure a safe and secure learning environments for all students. A "See Something Say Something" campaign will be a high priority of emphasis as we become more proactive to respond to student safety and concerns. . Additionally, we intend to implement the HOPE Squad program as we look to attend to an Anti-Suicide outreach and prevention program. In conjunction with district leadership, plans are being formed to secure full-time social workers here at West.
