

Qualifications for CCP classes set by the State

For the 2024-25 school year, students can be eligible to participate in one of two ways

1. Cumulative (unweighted) GPA of at least a 3.0
2. Student earns the following score on the ACT
 - ACT English = 18
 - ACT Math = 22
 - ACT Reading = 22

Exception is Math - Set by the University

Walsh:

- CCP Elementary Functions I&II - ACT math = 23
- CCP Calculus - ACT math = 27, a C or better in Elementary Functions
- If student does not meet the above requirements, they can take the Accuplacer (Walsh Placement Test)
