

EARN COLLEGE CREDITS WITH PURPOSE

High school students are eligible to earn early college credit opportunities through Linn-Benton Community College, College Now, and AP courses!

START DEVELOPING YOUR DREAM

Research shows students taking college courses while in high school:

- Transition from high school into college more effectively
- Save time and money when completing a degree
- Succeed in the classroom at a higher rate

YOU ARE MORE LIKELY TO ENROLL IN COLLEGE, PERFORM WELL, PERSIST IN COURSES, AND COMPLETE A DEGREE!

CREDIT TRANSFERS

- College programs have specific course requirements; courses outside of those requirements may not transfer.
- Credits may also transfer as electives, while being limited based on degree programs students pursue.
- Receiving colleges can confirm if a course will transfer toward your desired degree.

Meeting with a college advisor in high school means you can create a personalized education plan that can save you time and money by earning more purposeful course credits.

LBCC's Degree Partnership Programs with OSU & WOU ensure your credits transfer!
