

## KINDERGARTEN PRE-REGISTRATION 2024-2025

Welcome to Lake Local Schools! We are excited to have your child here to begin their educational journey. In order to enroll your custodial child in the Lake Local School District, the following documentation must be provided. No student will be officially enrolled and eligible to start classes until all required forms and documentation are completed, received and approved.

Lake Local Schools has partnered with FinalForms, an online forms and data management service. **In order to register your kindergarten student, you must first go to the Lake Local webpage: [www.lakelocal.org](http://www.lakelocal.org). Click 'Registration' and then 'Pre-Registration for Kindergarten'.** You will then be directed to set up a FinalForms account. Parents/guardians will find a page with step-by-step instructions on how to log-in and create an account for their new kindergartener or add a new kindergartener to your current account. When the FinalForms tabs are finished and signed, the required documents need to be uploaded into FinalForms to complete the registration.
