3. Discussed candidacy for the open school bell editor position and upcoming interviews, with goal either way to run a January 2024 edition of the newsletter.
4. Reviewed that this committees focus was on communicating successes from Region 10 and the role of the Board of Education. We also discussed other ways to share with the community and add awareness to key dates. As a result, there is a recommendation to change committee name to Communication and Community Relations which will be brought forth to the entire Board of Education to review.
5. Discussed as part of a collaborative effort, this committee will draft a first article for the school bell in 2024 that highlights who we are and what we do given we just had an election and change in officials.
