Parent or Legal Guardian: As the parent or legal guardian of the above named-student, I have read, understand, and agree that my child shall comply with the terms of the District's policy regarding District-Provided Access to Electronic Information, Services, and Networks ([District Policy No. 3270](#)) for the student's access to the District's computer network and the Internet.

I understand that access is being provided to the students for educational purposes only. However, I also understand that it is impossible for the school to restrict access to all offensive and controversial materials and understand my child's responsibility for abiding by the policy. I am, therefore, signing this Agreement and agree to indemnify and hold harmless the District, the trustees, administrators, teachers, and other staff against all claims, damages, losses, and costs, of whatever kind, that may result from my child's use of his or her access to such networks or his or her violation of the District's policy.

Further, I accept full responsibility for supervision of my child's use of his or her access account if and when such access is not in the school setting. I hereby give my child permission to use the building-approved account to access the District's computer network and the Internet. Should my child commit any violation or in any way misuse access to the District's computer network or the Internet, I understand and agree that my child's access privileges may be revoked and school disciplinary action may be taken against my child.
