

**2023-2024: Parent and Student Athlete Participation and Release Form**

By agreeing to the following statement and your acknowledgement of the following documents you give permission for your son and/or daughter to participate in extracurricular activities at Middleton High School.

I (the parent or guardian) give permission to my son and/or daughter to participate in extracurricular activities at Middleton High School. This includes, but not limited to practice, fund raising, team events, games, off-season workouts, and travel (games, practices, and potential overnight trips). I understand the risk involved and I desire my child to participate in Middleton High School Programs/Activities.

Recognizing that, as a result of enrollment or participation in a school program or activity, emergency medical care may be necessary and that school personnel or licensed athletic trainer may be unable to contact me or our emergency contacts for my consent for emergency medical care, I do hereby consent in advance to such emergency medical care, including tests, imaging, surgery, EMS transport and hospital care for my child as may be deemed necessary and agree to be responsible for and pay all costs incurred.
