School Hours

Hours are from 8:05 am until 3:40 pm Monday-Thursday. Children should NOT arrive before 7:30 am or remain at the school later than 4:00 pm unless they are participating in a supervised activity.

Students need to remain outside, in their designated area until the first bell rings or be in the cafeteria for breakfast. Supervision **will not** be provided for students who arrive before 7:30 am or remain later than 4:00 pm. The above procedures are designed for the safety and well-being of your children.

Responsibilities

Responsibilities of Parents

Throughout this handbook, "**PARENTS**" includes any parent, legal guardian, or person having lawful control of the student.

For your student's success you are encouraged to: (not in order of priority):

- Make every effort to provide for the physical and emotional needs of the student;
- Encourage their students daily attendance to school and promptly report and explain absences and tardies to the school;
- Keep informed of school policies and academic requirements of school programs;
- Support their student in pertinent school-related activities/organizations;
- Be sure their student is appropriately dressed at school and school-related activities;
- Discuss report cards and school assignments with their student;
- Bring to the attention of school authorities any learning problems or conditions that may relate to their student's education;
- Maintain up-to-date home, work, and emergency telephone numbers and other pertinent information at the school;
- Assist their student in understanding their responsibilities as outlined in this handbook and submit a signed statement (see last page of handbook);
- Promote high expectations for your student's behavior, school achievement, and homework;
- Establish and maintain open lines of communication between home, school and teachers;
- Check Skyward often to monitor student academic progress;
- Participate in school activities including parent-teacher conferences.

Responsibilities

Responsibilities of Students

Student responsibilities for achieving a positive learning environment at school or school-related activities shall include (not in order of priority):

- Attending school and arriving on time;
- Always be ready to learn;
- Conducting themselves in a responsible manner;
- Paying required fines;
- Refraining from violations of the code of student conduct;
- Obeying all school personnel, school rules, safety rules at school-related activities and on the bus;
- Conveying information to their parents about academic and extracurricular requirements, school policies, and the student's progress (including progress reports).

Responsibilities

Responsibilities of Teachers

Teachers have the responsibility to (not in order of priority):

- Perform teaching and extracurricular duties with appropriate preparation;
- Teach to the standards of performance required by the district;
- Teach the district curriculum;
- Serve as appropriate role models for the students, in accordance with standards of the teaching profession;
- Use discipline management techniques developed in the school discipline management plan;
- Promote good student discipline by modeling regular attendance and punctuality;
- Comply with district and school policies, rules and regulations, and directives;
- Maintain an orderly classroom atmosphere conducive to learning;
- Establish rapport and open lines of communication with parents, students, and other staff members;
- Encourage students to strive toward self-discipline; and
- Participate in meaningful parent-teacher conferences.

Attendance Information

Attendance at school is essential to maximize your child's learning! **Students are required to be in attendance 90% of the school year.** Classroom attendance is taken each morning at 8:05. Students who are not in their classroom at that time are considered tardy. After the tardy bell, students must get an admit slip from the office before going to class. Punctuality is important in establishing good life skills and setting the tone for the day.

After 11:00 am, students will be counted as $\frac{1}{2}$ day absent, and will also be counted as $\frac{1}{2}$ day absent if they leave before 1:00 pm. Students who are picked up prior to the dismissal bell will be marked as "tardy" for early retrieval.

We believe that regular attendance is critical to a child's education and that missing school time contributes to poor academic progress. If your child is ill or will be absent, please contact the school office before 8:30 am, when our automated calling system is activated. For the safety of your child we will call you at your primary phone if you have not phoned by 8:30 am. If you expect your child to be absent more than 1 day, you may request that homework be gathered for pick-up in the office at the end of the day.

Students have two days for each day missed to hand in make-up work for excused absences. If a student leaves the school grounds during the school day without permission, they are considered truant with an unexcused absence. Police may be contacted. Classwork may be recorded with a grade of zero, without the privilege of making up missing work.

Before and After School

If usual after-school arrangements need to be changed, please send a note to the teacher in addition to notifying the office. Please make these arrangements with your child before school. Unless it is an emergency, parents can call 30 minutes prior to dismissal. The office cannot guarantee that the student will receive the message with change of instructions after this time.

In an effort to make our drop-off and pick-up procedure more efficient, yet safe, the following plan has been developed. This plan will be followed from 7:30-8:05 am and 3:40-4:05 pm. Students can be dropped off anywhere along the sidewalk on the east side of Purple Sage Elementary School. If parents need to get out of the vehicle to help students get out, please park within a parking space and walk your child(ren) to the sidewalk. After school, move your vehicle up as far as possible so many students can be loaded into vehicles at one time. This will help to shorten the pick-up wait time for everyone.

Coyote Conduct Expectations for before and after school:

- We ask that all adults model safety for everyone.
- Children may only load or unload cars from the designated parent pick-up line north of the gymnasium.
- Please stay off cell phones while in the drop-off/pick-up line (walking or driving).
- Please do not get out of your car when in the drop-off/pick-up line.
- Parking is only allowed in a designated parking lot.
- Students should be escorted through the parking lot by an adult.
- Please do not use the bus lane for student pick-up or drop-off.

Custodial Rights

Parents must notify and have on file in the office via legal document, any limitations or restrictions involving a child's custody, as it pertains to child safety and security in the school. In the case of a divorce, the school cannot prevent the non-custodial parent from contacting the child without legal documents limiting contact.

School-Wide Behavioral Supports

Positive Behavioral Interventions and Supports (PBIS)

Positive Behavioral Interventions and Supports (PBIS) focuses on creating and sustaining school-wide, classroom, and individual systems of support that improve the educational environment for all children. Our aim is to explicitly teach behavioral expectations and then recognize the positive behaviors shown by students. Our PBIS implementation is focused on clearly defined expectations, research-validated practices, supportive administrative systems, and information for problem-solving behaviors. All staff members will establish regular, predictable, positive learning and teaching environments. The staff members will serve as positive role models to students as they teach expected school behaviors. Our school also utilizes a system for recognizing and rewarding expected behaviors. By improving the school environment, we hope to increase learning time and promote academic/social success for every student.

Coyote Conduct Behavior Matrix

An integral part of our PBIS initiative is to recognize the positive behavior shown by our students. Coyote Conduct tickets are handed out to students who are caught demonstrating **Respectful, Responsible** and **Ready to Learn** behavior. Staff members will acknowledge and compliment students who are exhibiting these behaviors which are outlined within our Coyote Conduct Expectations Matrix. Students will work to earn tickets to receive individual rewards and school-wide rewards.

Coyote Conduct Expectations

School-Wide Behavioral Supports

Definitions of Behavior(s)

The PBIS team at Purple Sage has worked to define behaviors that can be disruptive to the learning environment. This ensures that we will consistently respond to our students when disruptive behavior is observed. Students who exhibit a Level 2 or three Level 1 behaviors throughout the month will receive additional instruction in the areas they most struggle in during our school-wide PBIS monthly reward.

Discipline Procedures

Middleton School District elementary schools will use consistent procedures for handling discipline. Teachers and Support Staff will address all minor behaviors in the classroom or learning environment. Staff will document these minor behaviors using the Office Referral Form. Please note that three documented minor behaviors (Level 0 or Level 1) will result in a major office referral, meaning office administration will be consulted. If a student receives a major office referral, parents will be notified by the School Principal or the Guidance Counselor.

Suspensions will be determined on a case-by-case basis, and in accordance with District policy. Students committing major offenses will be given the opportunity to share their version of the incident with an administrator or counselor. Other students and/or staff members involved will also be permitted to report their involvement, in or witness of, the incident. In the event of student suspension, the parent will be contacted by administration (by phone if the contact numbers are current, or by suspension note).

Harassment, Intimidation, and Bullying

No student or minor present on school property or at school activities shall intentionally commit, or conspire to commit, an act of harassment, intimidation or bullying against another student. Such behaviors foster a climate of fear and disrespect that can seriously impair the physical and psychological health of its victims, create conditions that negatively affect learning, and undermine the ability of students to achieve their full potential.

It is the policy of the Middleton School District to maintain a safe school environment for all students while attending school, riding the school bus, and attending District-sponsored activities on school premises or at other locations. Harassment, intimidation, and/or bullying, regardless of the specific nature of the students behavior, is disruptive to a safe school environment and will not be tolerated.

Definition

“Harassment, intimidation, or bullying” means any intentional gesture or any intentional written, verbal, or physical acts or threats against another student that:

1. A reasonable person under the circumstances should know will have the effect of:
 - a. Harming a student;
 - b. Damaging a student’s property;
 - c. Placing a student in reasonable fear of harm to his or her person; and/or
 - d. Placing a student in a reasonable fear of damage to his or her property.
2. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening or abusive educational environment for a student.

An act of harassment, intimidation or bullying may also be committed through the use of a landline, car phone, or wireless telephone or through the use of data or computer software that is accessed through a computer, computer system, or computer network.

Harassment, Intimidation, and Bullying

Prohibited Behavior

This district expects students to conduct themselves in a manner in keeping with their levels of development, maturity, and demonstrated capabilities with proper regard for the rights and welfare of others.

Students attending any of the District school are prohibited from engaging in the following behaviors:

1. Physical abuse against a student, including but not limited to, hitting, pushing, tripping, kicking, blocking or restraining another's movement; sexual misconduct; causing damage to another's clothing or possessions; and taking another's belongings.
2. Verbal abuse against a student, including, but not limited to, name calling, threatening, sexual misconduct, taunting, malicious teasing or making rude gestures.
3. Psychological abuse against a student, including, but not limited to, spreading harmful or inappropriate rumors regarding another, drawing inappropriate pictures or writing inappropriate statements regarding another, and intentionally excluding another from groups, stalking or similar activities.
4. Cyberbullying, including, but not limited to, using any electronic communication device to convey a message in any format (audio or video, text, graphics, photographs, or any combination thereof) that intimidates, harasses, or is otherwise intended to harm another individual.
5. Harassment, intimidation, and/or bullying, including any intentional gesture or any intentional written, verbal or physical acts or threats, against another student that:
 - a. A reasonable person under the circumstances should know will have the effect of:
 - i. Harming a student; or
 - ii. Damaging a student's property; or
 - iii. Placing a student in reasonable fear of harm to his or her person; or
 - iv. Placing a student in reasonable fear of damage to his or her property.

Harassment, Intimidation, and Bullying

- B. Is sufficiently severe, persistent, or pervasive that it creates an intimidating threatening or abusive educational environment for a student.
- 6. Conspiring with another individual to commit any act of harassment, intimidation, or bullying against another student; or perpetuating such conduct by spreading hurtful or demeaning material created by another person (e.g. forwarding offensive emails or text messages).
- 7. Retaliatory actions against another for reporting an act of harassment, intimidation, or bullying.

Harassment, intimidation, and/or bullying is defined as misconduct by a student(s), which is characterized by the aggressor(s) repeatedly engaging in negative actions against another student(s) in an attempt to exercise control over the victim.

The discipline rules related to harassment, intimidation, and bullying apply when a student is (1) on school grounds before (7:30 am), during, or after school hours (4:05 pm); or at any other time when the school is being used by a school group; (2) off school grounds at any school activity, function or event; or (3) traveling to or from school or a school activity, function or event.

The prohibition extends not only to actions taking place on school grounds but also actions originating at a remote location and carried out via any technology, including but not limited to, the use of a landline, car phone or wireless telephone or through the use of data or computer software that is accessed through a computer, computer system, or computer network.

Harassment, Intimidation, and Bullying

Reporting

Middleton School District personnel are required to report, in a timely and responsive manner, any incident of harassment, intimidation, or bullying they witness or are aware of to the school principal or designee. All other persons, including students, parent/guardians, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy.

Reports may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.

The district prohibits reprisal or retaliation against any person who reports an act of harassment, intimidation, or bullying or cooperates in an investigation. The consequences for a person who engages in reprisal or retaliation may include, but are not limited to, suspension and expulsion. Annually, the district shall report bullying incidents to the Idaho State Department of Education in a format as set forth in rule by the state board.

Investigation

The School Administrator or designee will promptly investigate any allegations of misconduct that are reasonably characterized as harassment, intimidation, or bullying. At the discretion of the School Principal, the alleged perpetrator(s) may be suspended pending the outcome of the investigation.

If the School Principal or designee determines that bullying or retaliation has occurred, the school principal or designee shall (1) take appropriate disciplinary action; (2) notify the parent/guardian of the perpetrator; (3) notify the parent/guardian of the victim; and to the extent allowed under state and federal law; (4) notify the parent/guardian of the action taken to prevent any further acts of bullying or retaliation.

Harassment, Intimidation, and Bullying

Disciplinary Action

Students who engage in harassment, intimidation or bullying will be disciplined through the use of consequences that may include but are not limited to, referral to counseling, diversion, use of juvenile specialty courts, restorative practices, as determined appropriate, up to and including in-school suspension, out-of-school suspension and expulsion. Consequences for school employees who engage in such conduct may include suspension and/or termination.

Each school will take prompt and effective steps reasonably calculated to end the harassment, intimidation, or bullying; eliminate any hostile environment and its effects; and prevent the harassment from recurring. Appropriate steps to end harassment may include separating the victim and the perpetrator, or providing counseling for the victim and perpetrator.

Training

Ongoing professional development: The district will provide ongoing professional development to build skills of all school staff members to prevent, identify, and respond to harassment, intimidation, and bullying.

The district recognizes that in order to have the maximum impact, it is important to train school employees who have significant contact with students on school policies and procedures regarding harassment, intimidation, and bullying. Training will provide staff members with a clear understanding of their roles and responsibilities and the necessary skills to prevent, identify, and respond to bullying.

Harassment, Intimidation, and Bullying

Report to Law Enforcement

The School Administrator will refer allegations of harassment, intimidation, or bullying to law enforcement if he/she reasonably believes that the student has engaged in conduct in violation of Idaho Code Section 18-917A.

Notice

The district will provide each student and parent/guardian with written annual notice of this policy in a manner consistent with students' age, grade and level of academic achievement through publication in the student handbook.

Additional Information

Books

Students are responsible for the care of textbooks and library books that are checked out in their name. Loss or damage of a text or library book will result in a fee sufficient for its repair or replacement. All books are to be returned when a student transfers or at the end of the year.

Breakfast and Lunch

Students will be served breakfast for a charge of \$2.00 from 7:30-8:00 am. Lunches are \$2.70 for elementary students and \$4.00 for adults (\$2.75 for breakfast). Milk is \$0.50. Prices are subject to change. Students should pay for their meals before classes start. District policy does not allow students to have more than five charges at one time.

Buses

The Middleton School Board Contracts with Caldwell Bus Company to provide bus transportation. Questions concerning bus routes, discipline problems, etc. should be directed to **Caldwell Bus Company**. Middleton District Policy, which is enforced, outlines our mission to provide safe transportations and the procedures to discipline or remove disruptive students from their bus privileges. The first week of school, all students will bring home a copy of the school bus expectations and discipline procedures. The bus is viewed as an extension of school. Students will be rewarded for positive behavior.

Cell Phones and Smart Watches

At Purple Sage Elementary School, our number one priority is student achievement. Therefore, we believe cell phones and smart watches should be placed safely inside backpacks so they do not disrupt instruction during the school day. Please ensure they are hidden and deeply placed in the backpack to avoid any issues. The school is not held responsible for lost or stolen electronic devices. All phones and smart watches are brought on campus at your own risk.

Additional Information

If an electronic device disrupts instruction, the device will be confiscated and returned only to a parent (no siblings). All devices may not have any mature content or pictures. If a student is caught with any offensive material on the device, they could be suspended and the device will no longer be allowed on school property.

Complaint Procedures

When there are issues/problems between a parent or student and an employee, every effort should be made to solve the problem at the lowest level. Purple Sage Elementary School has a step-by-step process outlined in the Staff Handbook to address concerns fairly and appropriately. Parents and/or students should first bring the matter to the teacher for resolution. If the matter is not resolved, a conference with an administrator may be requested. The complaint procedure at the Board of Trustee level is outlined in district policy, and can be obtained at the building or district office. A request to appear before the board may be made in accordance with this policy

Conferences

Parent/teacher conferences will be offered twice per school year. At the close of each trimester (15 weeks), report cards will be available on Family Access and/or sent home with the student. Parents may monitor student progress through Family Access, eliminating the need for formal progress notes except in special situations. If you need to meet with the teacher or would like to visit the classroom, please contact the office to set up an appointment. We believe parent communication is important but do not want to interrupt classroom teaching time.

Additional Information

Dress

It is important for students to be aware of good personal hygiene and appearance. Appropriate clothing enhances a good learning atmosphere. Clothing should be neat, clean, and suitable for the weather and school activities. **Proper dress is expected at all times. The following types of clothing are NOT considered appropriate for school:**

- *Shorts and skirts shorter than fingertip length*
- *Tank tops with large armholes, midi-shirts, halter-tops, crop tops, and spaghetti straps*
- *Clothing advertising tobacco, alcohol, or drugs*
- *Clothing promoting or related to violence, discrimination or gang affiliation*
- *Clothing that is vulgar, sexually inappropriate, ripped or disruptive*
- *Caps, hats, or headgear worn inside the building*
- *Pants or shorts that fall below the hips (too baggy to stay up)*
- *Skate shoes ("heely's")*

See that all removable items of clothing are clearly marked with your child's name. If you notice clothing missing, check our lost and found. Every year numerous expensive jackets, mittens, hats, and other items are left unclaimed. At the end of each trimester, all unclaimed items may be donated to local charities.

Electronic Devices

Students will use electronic communication or data devices only in a manner consistent with instructional and testing activities in the classroom. These devices include, but are not limited to, handheld calculators, tablets, cell phones, music playing devices, cameras, and laptop computers. Use of these devices must not violate any district policy or cause classroom disruption nor may they be used in the access, creation, or possession of inappropriate materials (i.e. pornography). Use of electronic devices in the classroom is at the discretion of the teacher.

Additional Information

Parents or students who bring any electronic device to school or to a school activity do so at their own risk - Purple Sage Elementary School assumes no liability for damage, theft, etc. Videotaping or taking pictures is prohibited on district property (including buses) unless approved by building administration. If the policies are violated, administrators will determine consequences based on the severity of the incident. On the first offense the device may be confiscated until a parent/guardian retrieves it from the front office/administration. Additionally, all social media will be reviewed for time-stamped use. If students are using social media during school hours, this will result in consequences given by an administrator based on their discretion.

Field Trips

Parents are asked to update their child's field trip permission in Family Access at the beginning of each year; however, the teacher, prior to each trip, sends notification home via Family Access, email or a note. Students must ride the bus to and from the field trip. Parent helpers are always needed to closely monitor our students; **therefore no younger siblings are able to attend.** **District policy allows only currently enrolled students to ride the bus.** Parents may take their child home from a field trip with prior notification.

Grading & Report Cards

Report cards are issued to students three times a year. These reports show academic and effort grades, absences and tardiness, as well as coded information on pupil attitudes and work habits.

Report cards are issued at the end of each trimester. Grades also available regularly through Family Access. Please consult the district website for trimester end dates and parent conference dates, www.msd134.org

Additional Information

Homework Guidelines

Homework should be no more than 20 minutes of silent/out loud reading and practice of spelling words.

Parent Behavior

IDAHO STATUTES Title 33-1222 states the certificated employees of every school district shall be free from abuse by parents or other adults, as provided in section 18-916, Idaho Code. Title 18-916 states that every parent guardian or other person who upbraids, insults or abuses any teacher of the public schools, in the presence and hearing of a pupil thereof, is guilty of a misdemeanor.

Pre-School

Screening for potential eligibility is done three times per year. Middleton School District preschool is held at Purple Sage Elementary School. Parents can make an appointment for the screening by calling 208-455-1148

School Closure

All decisions on school closure are treated with great concern and given sincere consideration before a decision is rendered. If road conditions are determined to be unsafe for student, staff, and parent transportation, the Superintendent and district staff will then place calls to local media so the information that school will be closed can get to our parents as quickly as possible. We will be posting closures on the District website (www.msd134.org).

We will utilize Family Access and your 'alerts' you have set up to release notifications as well.

Please ensure your settings are set-up for these notifications.

Additional Information

Seizure of Illegal Items

Illegal items (e.g., weapons, drugs, etc.) or other possessions reasonably determined by proper school authorities to be a threat to the student's' safety or to others' safety and security may be seized by school officials. All illegal items will be turned over to law enforcement for disposition.

Seizure of Other Items

Other Items that may be used to disrupt or interfere with the educational process may be temporarily removed from the student's possession by a staff member. Such items may be returned to the student by the staff member or through the Principal's office.

Supply List

Suggested supply lists are available at many local stores as well as on our school website. If you need assistance with school supplies, please contact the school counselor, as help is available.

Technology Acceptable Use Policy (#3270)

Technology can be integrated to facilitate increased collaboration, communication, creation, and critical thinking. The District provides students with technology services. These services include, but are not limited to, the use of technology devices, school accounts, and the Internet. To view the MSD #134 Technology Acceptable use Policy (#3270), go to:

<https://www.msd134.org/site/handlers/filedownload.ashx?moduleinstanceid=6633&dataid=6040&FileName=3094%20%20Students%20Acceptable%20Use%20Policy.pdf>

Additional Information

Unauthorized Bus Entry

Idaho Code 18-1522 states: (1) A person shall be guilty of a misdemeanor if that person: (a) Enters a school bus with intent to commit a crime; (b) Enters a school bus and disrupts or interferes with the driver; or (c) Enters a school bus and refuses to disembark after being ordered to do so by the driver. (2) School districts shall place notices at the entrance to school buses which warn against unauthorized school bus entry.

Visitors and Volunteers

Parents and family members are welcome and encouraged to visit our school. For the safety of your child, visitors and volunteers are to enter through the main entrance since all other doors are locked from the outside.

Once in the foyer of our main entrance, use the doorbell to signal our office staff that you are needing to sign-in to the Raptor system. Once you are signed in, the doors will unlock and you can proceed to the office for your badge. You must wear your badge at all times while in our building or on campus. Although parents are present, students will still be expected to follow all school rules.

Parents and community members are welcome, appreciated and needed at our school! Volunteers must sign into the Raptor system at the respective school office so that in an emergency, we are aware that you are in the building.

Health, Medications, Injury or Illness

School personnel can administer simple first-aid. If your child is injured or becomes ill, he/she will be cared for temporarily by a staff member, or school nurse, and you will be notified. If you or the emergency contacts you have specified cannot be located and it is deemed necessary, emergency services will be notified and your child will be taken to the nearest hospital emergency room, unless you have given instructions to the contrary. It is extremely important that the school have the name of another party to call in case of illness or injury if you cannot be located. We must have your **CURRENT HOME, CELL AND BUSINESS TELEPHONE NUMBERS**. Please keep Family Access updated with your current information.

Contagious Disease

If your child is ill with a contagious disease, please be sure to notify the school, as our school nurse must report some of these diseases to the State Health Department. Please do not send your child to school with a rash to be checked by the nurse; rather notify your child's physician. The school nurse does not provide physical examinations. Please do not send your child to school if he/she has been up night vomiting or has a fever at or above 101 degrees.

Head Lice Policy

Middleton School District students are not to be in school if they are infested with head lice, or have nits. If a student is found to have head lice or nits while at school, the parent will be contacted and requested to transport the student from the school. The "no nit" rule will require that the student be excluded from attending school until all live lice and all nits have been removed.

Immunizations

Children attending school must immunized. Idaho law requires the following be given: 5 DPT; 4 Oral Polio; 2 MMR; 3 Hepatitis B; 2 Hepatitis A; and 2 Varicella. This record must be on file with our office before your child may enter school. These are requirements for children born after September 1.

Health, Medications, Injury or Illness

Injuries and Insurance

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing-up process. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their child be injured at school.

The School District does not provide medical insurance to pay for medical expenses when students are injured at school. This is the responsibility of the parent(s) or legal guardian(s).

The District carries only legal liability insurance.

The District does make student medical insurance available to families for their individual purchase. Brochures outline the coverage and premiums are handed out at the beginning of the school year and are available at the school office.

Medication

There are cases when medications need to be given to children during school hours. If this is necessary, the following guidelines will be followed:

PRESCRIPTION MEDICATIONS

1. The parent/guardian must submit a written request to the respective school, if they are being asked to administer medication. Authorization forms are available at each school or a note may be written.
2. The prescription noted on the prescription bottle is authorization for the medication to be administered at school and no further information is required from the prescribing physician. The medication must be in its original container and the student's name, prescription number, doctor, and directions must clearly set forth on the container.

Health, Medications, Injury or Illness

3. With parental permission and the permission of the School Principal, nurse or designee, elementary or secondary students may keep and self-administer their own medication including prescribed inhalers. A signed note from the parent/guardian must be on file in the school office or in the student's possession stating the name of the medication, the reason for the medicine and the appropriate dosage. If on file with the office, this note will be a part of the student's education record and will be accessed on a need-to-know basis by persons with a legitimate educational interest.

Health Screenings

Each school makes an effort to work with local health care agencies to provide free vision, hearing, scoliosis and dental screenings at specific grade-levels of students as resources allow. If you wish to deny any of these free screenings, please submit a written request to the school nurse annually.

Title 1 Program

Parent Involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, ensuring:

1. Parents play an integral role in assisting their child's learning;
2. Parents are encouraged to be actively involved in their child's education as school;
3. Parents are full partners in their child's education and are included, in decision-making and on advisory committees as appropriate to assist in the education of their child; and
4. Parents are involved in identifying barriers to greater participation by parents in parent involvement activities.

Purpose: The purpose of parent involvement is to increase each parent's capacity to help their child(ren) be successful in school.

To facilitate meaningful parent involvement in our school we will:

1. **Annually review our Parent Involvement Plan:** The school will, with consultation and input from our parents, annually review and when necessary revise our parent involvement plan. The plan will outline how the school will work with their parents throughout the school year. A meeting will be held within the first month of school to review and possibly revise this plan. This plan will clearly establish when and how parents will be involved in all aspects of the Title I program.
2. **Annually review our Parent/School Compact:** The school will, with consultation and input from their parents, annually review their Parent/School compact. The compact will list the responsibilities of the student, parent/caregiver, classroom teacher, and school administrators. All parents of identified Title I students will be provided copies of the parent/school compacts at the start of each school year, and will be provided with opportunities for input into this document throughout the year. A meeting will be held in the spring of each year to provide parents an opportunity to review and possibly revise the current parent/school compact. Throughout the school year parent input on the parent/school compact will be solicited and used during the spring meeting on the possible revision of this document.

Title 1 Program

- 3. Annually establish how Title I Parent Involvement Funds will be used:** The school will, with consultation and input from their parents, annually develop a plan for use of any and all Title I parent involvement funds. These funds will be used to provide parents with materials, pay reasonable and necessary expenses associated with parental involvement activities (including transportation and child care costs) to enable participation in school related meetings and training, and other costs directly associated with increasing parental involvement. A plan for use of these funds should be completed at the first meeting of the school year, and be shared with all parents.
- 4. Annually review the use of Title I funds and evaluation of the use of these funds:** The school will, with consultation and input from their parents, annually review how Title I funds will be used throughout the school year. This should be done at the first meeting of the year. Parents will be provided with data that supports the use of these funds and be asked for their input. Before the end of each school year, parents will be provided with evaluation information/data that assesses the effectiveness of Title I school program, staff development conducted throughout the year, and all parent involvement activities held during the year.
- 5. Facilitate regular, meaningful two-way communication:** The school will hold an annual meeting for parents to explain Title I and what it means to them as a parent and to their student and to explain the rights of parents to be involved in the school and in their child(ren)'s education. This will be done at Open House before the school year starts. The school will also offer this information at meetings held at flexible and convenient times for parents. The school will provide parents a description and explanation of the curriculum, student progress measures, and the proficiency levels students are expected to meet and how to monitor a child's progress and work with educators to improve student achievement. Curriculum, content standards, measures and proficiency levels will be highlighted in the parent newsletter monthly. The school will ensure that information related to school and parent programs, meetings, and other activities is sent to parents in a timely manner and in a format and, to the extent practicable, in a language the parents can understand, and provide reasonable alternate formats as requested.

Title 1 Program

6. **Build capacity of parents to support their child(ren)'s learning:** The school will provide materials and training to help parents to work with their children to improve their children's achievement. This will include a family math night and a family reading night.
7. **Coordinate and integrate the school's parent involvement programs with early childhood programs in the community and in the school:** To the extent feasible and appropriate, the Title I consulting teacher and Special Education Teacher will work with the preschool program, Head Start, and Parents as Teachers to conduct activities that encourage and support parents in more fully participating in the education of their children. At a minimum, parents in these programs will be invited to a transition activity before the next school year.
8. **Build the capacity of school staff to work with parents:** The school will work with the district Title I and LEP programs to train and educate staff in how to reach out to, communicate with to work with parents as equal partners and build ties between the parent and the school.
