PowerTeacher Pro Help

Welcome to PowerTeacher Pro!

PowerTeacher Pro includes robust functionality for managing the classroom grading. Teachers use this mobile-friendly gradebook to get their work done. Teachers can set up district-level grading preferences and apply them to selections of schools. Use PowerTeacher Pro to:

- Create assignment categories
- Create assignments
- Score assignments and work with grades
- Assess student and class performance
- Refine district-level grading preferences

Getting Started

The gradebook is ready to go the first day of school. You don't have a lot to do. You may want to format certain items, but the default settings make the gradebook easy to use. You may set up grading preferences for you to provide grading consistency between classes. Navigate to the HTML-based gradebook directly through the PowerTeacher Pro. The first time you navigate to the gradebook, you'll see the gradebook.
